Dear Children,

Your mind is a magnet! Thoughts attract.

If you always think of blessings, you attract more blessings.....

If you always think of problems, you attract more problems.....

Create good thoughts and speak good words.....

Always be polite and kind to each other. Overcome evil with good!

Simrita Bawa - School Director

Ekta Dhawan
(Principal)

It would be no exaggeration to say that our 15-year-old-school has built a reputation that is synonymous with excellence. It endeavours to provide an environment that encourages growth, fosters creativity, exploration and discovery; where children can find magic in the mundane, enjoy the gift of robust laughter, broaden their intellectual, physical and emotional horizons and build a strong sense of integrity, compassion and generosity of spirit. School life must be a quest for meaning that goes far beyond the limitations of conventional curricula, text books and standardised examinations, so that when our pupils leave us, they are secure in their abilities, strong in their principles and confident to face challenge.

Feedback from Parents :

My Daughter 'Samiksha Gupta' studying in grade XI-B is satisfied with the education of this school. I am really very proud of the teachers who teach her. Miss Prahleen Kaur, her Economics Teacher is very co-operative, understandable, kind and nice to parents. Mr. Harpreet Singh, who is her Accounts Teacher not only provides knowledge in the class but also puts 100% efforts in the extra class. I am very happy with the facilities, cleanliness which is provided by this school. Hope the way the school is going on, just goes on. For me, BLPS is the best School in Kapurthala.

Mrs. Sujata Gupta (Mother of Samiksha Gupta XI-B)

I am writing as I feel to acknowledge the support from the school. I was very apprehensive of changing my son's school from Jalandhar to Kapurthala. But when I met Ms. Simrita Bawa my all worries came to an end and I could easily shift my son Arjun to BLPS in Class IV. I just want to let school authorities know how much I appreciate the time, care and effort specially the teachers have put into my son's teaching and well being this year. Your kindness, hard work and dedication has ensured that my son & my daughter have enjoyed a fantastic and a very positive school year for which I will always be grateful. BLPS should be proud to have such wonderful staff.
