BAWA-LALVANI PUBLIC SCHOOL, KAPURTHALA

Affiliated to C.B.S.E. New Delhi (Affiliation No. 1630328)

Issue No:10/Vol:14 (March 2016) Avg. Temperature in April 38°C Rainfall Dates: 7, 9, 10, 12, 15, 16 & 17th April Holiday Dates: 13, 14 & 15th April

Dear Children,

As we embark upon our new Term (2016-2017), I wish for you all to be daring, truthful, fearless, persevering and happy! Rise up like the sun and seize the day! Embrace your dreams!

Engage in whatever you are passionate about, in any field be it reading, science experiments, maths olympiads, music, drama, cooking, dance or sport. Just get up and go!

Best of luck for an amazing year!

Simrita Bawa - School Director

**Ekta Dhawan
(Principal)**

Dear Children,

"Opportunities come to those who quit Waiting and start Looking. Success comes to those who quit Thinking and start Doing"

The Management, Principal and Staff of BLPS heartily congratulate all young Blpians for excelling and achieving great success in the Final Examinations for the session 2015-2016. It's a moment of great ecstasy and pride for all the supportive and determined parents who have contributed to their fullest. May this new session bring to you numerous opportunities to prove your mettle in various spheres so that you can make your teachers and parents feel honoured

"The elevator to success is out of order. You will have to use the staircase. One step at a time".

Keep going and chase your dreams to turn it into reality. New session is the start of a new adventure, new challenges to face, new memories to make and new obstacles to overcome. We wish all the students a smooth and successful session ahead.

All the best and stay happy forever!

Being from the Army, we have to move after every two years and hence are confronted with the same, conundrum of choosing a good School for our children at the new station. What tilted our decision in favor of BLPS was the positive outlook of the staff and their willingness and eagerness to help and respond to parents.

Furthermore, BLPS could boast of extremely modern infrastructure, teaching aids and methods and everything that modern day Education has to offer. After only a few months we realized that we had made the right decision, the school gave the children ample opportunities to showcase their talents and hone their skills. Our kids started loving their school and looked forward to each school activity with eagerness and interest, be it MUN, Interschool debating or the fun filled school trips. This made us recommend the school to all our Army colleagues who joined the station after us and sought our opinion. As we are leaving Kapurthala, we are feeling very bad as we will miss BLPS a lot. Hope we continue hearing good stories about the school in the years to come. All the Best BLPS!

(Mother of Arshia Jagtap VIII- A) Seema Jagtap

Newness in this new session

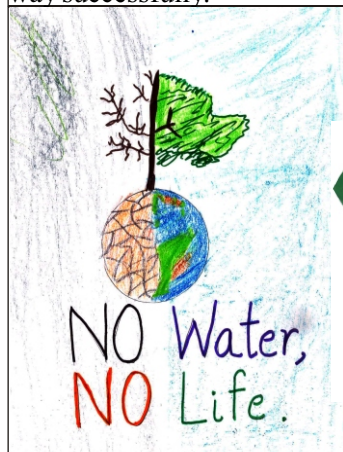

"What appears to be the end may really be a new beginning": Being physically active is one of the most important steps for being healthy. As the time is rolling by, increasing demands on time of kids can make getting that hour of exercise a challenge.

With the beginning of a new session, we look forward vigorously on physical activities which will transform our young kids into dynamic Skaters, Taekwondo players,

Swimmers and Cyclers along with all other regular sports. We believe in drawing out the best from them. These sports teach us how to win honourably, lose gracefully, respect authority, work with others, manage time and stay out of trouble. Our kids will get more active, learn to find focus and stillness, gain self-confidence and self-respect and connect the mind and body with the help of these physical activities. We believe in turning our kids into all- rounders so that they can cross each and every hurdle that comes in their way successfully.

Parent’s Vision of BLPS:
“Education is what remains after one has learnt in school”. It was around 12:30 pm when I reached BLPS and coincidentally it was the dispersal time. I was amazed to see the discipline & decorum, the way the students were walking in a coordinated manner. As I moved towards the front office, the staff of BLPS welcomed me warmly and in such a gracious manner that I decided there and then that I will get my children admitted in this school. BLPS provides not only the exposure in co-curricular activities but also they enrich the students in the core values such as Respect, Integrity, Achievement, collaboration etc, which are important to build the inner strength of an individual. Every corner of the school is depicting team work of children and efforts of the staff members. I am feeling relaxed that my children are in safe hands.
Abhilasha Pandey (Mother of Abhigyan Pandey)

Song of the Month
I can almost see it
That dream I am dreaming
But there's a voice inside my head saying
"You'll never reach it"
Every step I'm taking
Every move I make feels
Lost with no direction
My faith is shaking
But I gotta keep trying
Gotta keep my head held high
There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb
The struggles I'm facing
The chances I'm taking
Sometimes might knock me down
But no, I'm not breaking
I may not know it
But these are the moments that
I'm gonna remember most, yeah
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb, yeah!
There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Somebody's gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb, yeah!
Keep on moving, keep climbing
Keep the faith, baby
It's all about, it's all about the climb
Keep the faith, keep your faith, whoa

EXHIBITION AND BMI CHECK-UP DURING PTM:
Parent-Teacher Meetings are a great opportunity to communicate and hear how a child is tracking academically and socially relative to their classmates. Final PTM for the session 2015-2016 was held at BLPS in three categories (KG, Primary and Senior Wing) on 25th, 29th and 30th March 2016 respectively in which parents interacted with the concerned teachers about the performance of their wards. An Exhibition was also organized on PTM days in which impressive exhibits were put up which captured the minds and hearts of the parents. The parents appreciated the students' creativity and were awestruck by their innovative ideas.
BMI Screening Counter was also set up by the students to provide parents with the information of their health. The motive was to provide all parents with a clear and reliable explanation of their BMI results.
