BLPS collaborated with SDIPL team from Mumbai for the execution of the grand and memorable show “15<sup>th</sup> FOUNDER'S DAY CELEBRATION.”

Life is meant to be lived as a celebration. Every day of your life is a special occasion. Five ways of appreciating yourself:-

- Celebrate your uniqueness.
- Decide to be joyful irrespective of circumstances.
- Help someone. Rendering help improves our Self-esteem.
- Problems gravitate to their solution.
- Celebrate your challenges.

Enjoy your own company. If you don't why should someone else?

## WE DON'T REMEMBER DAYS, WE REMEMBER MOMENTS.

Dear Children

We are treasuring one such moment this month by celebrating 15<sup>th</sup> Founders Day of BLPS. The essence of the programme is in dance expressions which are helping children to develop confidence and knowledge of different dance forms. Dance expresses more than words do. Whilst, they are inculcating team spirit, positive thinking, discipline, posture, body language and appetite that goes beyond the classroom. Amongst all these occasions, we must not forget to wish each other lots of happiness this Diwali.

Ekta Dhawan - Principal

**BE YOUR MAGNIFICENT SELF. IN STORMS OF YOUR LIFE, STAND TALL.**

## Parents' Feedback

As a parent we want our child to be all rounder. BLPS is such a platform where children get opportunity to sharpen their skills along with studies. Recently, the Shaimak Davar's team is training BLPS students for the upcoming founders day. The enthusiasm with which students are learning show the efforts made by BLPS team to bring the best in our children.

### “Have Feet will Dance”

Well, I think this is what every BLPian now says. All thanks to Shiamak's Dance Education. Earlier, my daughter was not ready to take part in the dance. But now when she's really happy doing so, I feel very much satiated. It has helped her to pursue her hobby. The way the instructors teach the students is fantastic. They all are quiet, calm and composed. And of course their smiling faces are always cheering. Moreover, their forbearance makes them simply the best!

## Experts' View :

It is our privilege to write for the teachers and students of BLPS. SDIPL believes in using dance and its therapeutic power as a tool for spreading happiness. It is our aim to make everyone at BLPS experience the joy of dance.

The level of excitement amongst the students is extremely endearing and our team has been amazed by their ability to adapt, learn, unlearn and relearn our style of dancing.

The teachers have been extremely co-operative and have helped us in delivering our lessons and communicating with the students effectively. We would like to thank the Principal, Ms. Ekta Dhawan for her continuous support as without her guidance and aid, the execution of this project would not have been as smooth and systematic. We

would like to express our heartfelt gratitude towards the Management for bringing the Shiamak Davar Dance Education Programme to BLPS. The willingness to learn, zeal and enthusiasm of the students energize our group every day. Our objective lies in making every participant of this programme a good performer, dancer and above all, a better human being. Our company believes that every individual has the potential to dance. This belief is firmly expressed in our mission statement which is also the guiding force behind our work. **HAVE FEET WILL DANCE!**

## CELEBRATING MOMENTS

The BLPians are all ready to set the stage on fire with some amazing power-packed performances. We are being trained by the choreographers of one of India's finest dance groups- Shiamak Davar. Each workshop conducted by them is really fun to attend and teaches something new daily. All this would not have been possible without the efforts of our worthy Principal Ma'am. So I would like to thank our Principal Ma'am for giving us this golden opportunity.

At first, when I heard from my teachers and friends that Shiamak Davar's group is coming to teach us all, my happiness knew no bounds. I whole heartily took part in the dance and learned many new things from them. I was mesmerized by the choreography and the training they gave to us. We also had good time while interacting with them and getting to know more about their group and their Shiamak Dance style. They made our dance and style much better. It's been a great pleasure in learning something new in a unique manner.

### PREPARATIONS

"The more you praise and celebrate your life, the more there is in life to celebrate".

High time for Celebrations at BLPS!

BLPS witnessed a full-on energy level and enthusiasm in all BLPians during the practice sessions that commenced from 12<sup>th</sup> October 2016 onwards in the school for "15<sup>th</sup> FOUNDER'S DAY CELEBRATION" scheduled to be held on 5<sup>th</sup> November 2016.

"There is no glory in practice, but without practice, there is no glory"

All the participants took each practice day as a part of learning process. There is no doubt saying that they believe in the below mentioned two principles:

- Practice until you're the best.
- Practice to remain the best.

"Teamwork divides the task and multiplies the success".

The team behind the show is putting the best of its efforts to make the show a grand success.

Looking forward to welcoming our guests!

### SONG OF THE MONTH 'THE CLIMB'

I can almost see it.  
That dream I'm dreaming,  
But there's a voice inside my head saying,  
"You'll never reach it."  
Every step I'm takin'  
Every move I make feels lost with no direction,  
My faith is shakin'  
But I, I gotta keep tryin'  
Gotta keep my head held high  
There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waitin' on the other side  
It's the climb  
The struggles I'm facing  
The chances I'm taking  
Sometimes might knock me down,  
But no, I'm not breaking  
I may not know it,  
But these are the moments  
That I'm gonna remember most, yeah  
Just gotta keep goin',  
And I, I gotta be strong  
Just keep pushing on,
