The Annual Day 2016 at Bawa-Lalvani Public School saw life and energy being propelled into an Inspiring cultural journey-' Around the World '.

Dear Children,

The Joy of giving enhances within us when we follow simple steps in our day to day lives such as:

- NOT CRITICISING OTHERS
- REFUSING TO GOSSIP ABOUT ONE ANOTHER
- SMILE AT EACH OTHER OFTEN
- BE MINDFUL ABOUT SAYING THANK YOU AND SORRY
- REMEMBER TO BE GRACIOUS AND POLITE
- BE PATIENT WITH ALL AGE GROUPS.

Be inspired with the thought of sharing and caring for each other.

End of the day it is not how much we give but how much love we have put into giving! As quoted by Mother Teresa.

Simrita Bawa - School Director

## Guest of Honour's Note

Dear Parents,

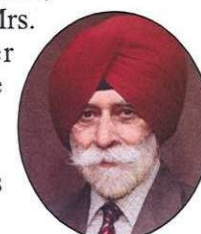

Just like a snowflake or a fingerprint, every child is unique in his/her own special way. Every child has a unique way of feeling, thinking, and interacting with others. As a loving and nurturing parent, I would want you to encourage them to embrace their uniqueness and Celebrate their individual

qualities. They may find a creative outlet in theatre, dancing or art, or they may be exceptionally talented in games and sports. Encourage them to embrace what they like to do, what interests them, and what makes them happy. Help them realize that they don't need to worry about being 'like everyone else.' Once you accept that your child will be different, not better or worse-Just Different-That's the first step.

Ekta Dhawan - Principal

The school function was unique in its splendour, setting and scintillating performance by the students of every age group and I have written to thank Simrita and Sanjiv for their gracious hospitality and to convey my felicitations at the unique performance presented by the students, the credit for which must go to Mrs. Dhawan, the Principal, her dedicated staff and of course, the students across the board. We naturally offer our sincerest and awe filled admiration and thanks for a wonderful evening.

## Parent Feedback

The whole program was truly a classic display of teamwork, hard work, dedication and passion. Every department – be it the narration, choreography, costume design, music, event management scored highly.

Hats off to you and your entire team.

Being a parent and also a teacher, I can easily acknowledge the massive effort of the efficient staff behind this huge event. Generally annual days mean a lot of running around for parents too, but here I found that everything was well planned, well organised and promptly executed.

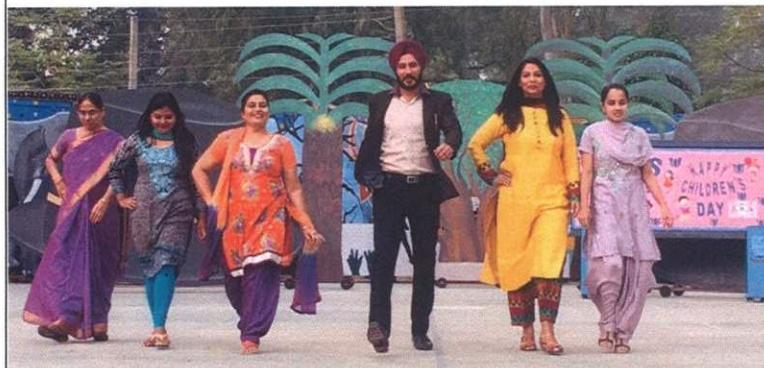

I am very happy that my son is in the best hands and he will grow as a good student in this school under such teachers' guidance. My compliments to you.

## Song of the Month :

When I wake up in the morning and I breathe in the air  
I'm thankful, I'm thankful  
When someone gives me a hug and shows that they care-- hug, hug  
I'm thankful, I'm thankful

When I look all around at the colors I see -- round and round  
I'm thankful, I'm thankful  
When I wake up in the morning, when someone gives me a hug, hug, hug  
When I look all around ? Round and round, I'm thankful today

When a cute little puppy wags his tail for me -- wag, wag  
I'm thankful, I'm thankful  
When I pledge to the flag for our country that's free  
I pledge allegiance, I'm thankful, I'm thankful

When I eat good food with my family and friends -- mmm, mmm  
I'm thankful, I'm thankful  
I'm thankful today, I'm thankful today
