Principal Message

"The life each of us lives is the life within the limits of our own thinking. To have life more abundant, we must think in the limitless terms of abundance"

DEAR CHILDREN AND CAREGIVERS

Well.. Where did the time go?....On reflecting on the year that has passed, I feel honoured to have had the opportunity to guide and support all of our amazing students in their endeavours. We have celebrated many significant achievements together, both as individuals and as groups within the creative arts, academic and sporting endeavours. It is the depth of talent and enthusiasm for learning and excitement to be part of the BLPS community that make our students really quite special. This year had been action packed, full of changes, accomplishments and events. As we approach towards the end of the year, I would like to take this opportunity to thank parents for the co-operation in many new proud traditions that we have begun this year including school uniform, running extra curriculum activities.

Children Go forward in life with a twinkle in your eye and a smile on your face, but with a great and strong purpose in your heart..

Ekta Dhawan - Principal

Parent Feedback

BLPS - a name synonymous to quality and success-driven education is not just restricted to its immediate world. My son, Prabalpreet Singh of grade 7-B used to be a constrained child and this feared me a lot but the choice of BLPS for my son has proved to be reasonable. Through sports, trips and various other activities my son has been able to get a good exposure to the outside world. Olympiads organized by the school help the students analyze their position and preparation at an international level. It is absolutely right to say that BLPS thrives to instil the values along with dedication and sincerity among all its students and these values play a pivotal role in attaining success in all vistas of life. Reared with these traits, it is natural that BLPS not only produces highly successful students but also good sons, good daughters and eventually good citizens.

-Hardeep Singh, Father of Prabalpreet Singh(7-B)
