Dear Students

A New Chapter of life has begun with the onset of a new year. May this year brings you an abundance of amazing opportunities, beautiful moments and joyful experiences. May your positive actions and attitude inspire others. Surround yourself with the dreamers and the doers, the believers and the thinkers, but most of all, surround yourself with those who see greatness within you, even when you don't see it yourself.

Set high goals for you this year and be focused to achieve these goals. Goals give us direction. They put a powerful force into play on a universal, conscious and subconscious level. Keep dreaming high and always remember: "All our dreams can come true, if you have the courage to pursue".

God Bless Us All!

Ekta Dhawan - Principal

Parent's Message: I am happy to share my views about BLPS a Prominent educational Institution of Kapurthala. The Management and Principal Ms. Ekta Dhawan has put Many Efforts to make this institution a Success. As a mother, I feel satisfied that my child is getting good care and education undoubtedly. The quality in the work and staff is immense; it feels great to have my child well raised in English communication skills which proved fruitfully when we went abroad twice. She is so small but proficiently brought up in speaking skills. Thank you KG Staff specially Ms.Susheta Bhalla for setting up a great foundation and setting their little steps in the right direction.

Gurmit Kaur, Mother of Ekam (KG II B)

Republic Day Celebration:

Most of the children love to sing songs and learn rhymes. Patriotic songs and rhymes can be easily embedded in their tender hearts. We should try to explain the meaning of National Anthem to our kids. We can instill the feeling of love and respect for the Nation in our kid's heart by making them sing the National Anthem. The best way to teach the importance of independence and implant the feeling of patriotism in kids is to make them learn and sing patriotic songs. **Here our students of KG1 sang song "We shall overcome" and National Anthem which enthralled everyone present.**

Fancy Dress Competition

Patriotism means love, respect and loyalty towards one's country. Instilling values of patriotism in children will help them to become responsible

citizens. India is a great country with a rich culture and heritage. Our country achieved independence in 1947 before which we were under the rule of the British. There were many great leaders and freedom fighters who fought bravely for independence from the British. **Keeping this in mind we made our students of Kindergarten recognize the famous freedom fighters while students of Kg-2A & B were dressed up as freedom fighters.** We are trying our best to ensure that children love and respect their motherland.

Spray Painting Competition :

Different forms of art engage motor skills to help young children develop eye-hand coordination and body control. In visual arts, kids hold pencils, paintbrushes and other implements to work on fine motor skills. Children often gain a sense of achievement and confidence from creating art. Bawa-Lalvani Public School always encourages its students to participate in each and every activity which can contribute in their overall development. So the tiny tots tried their hands in spray painting. Students of KG-2A coloured our National Flag, KG-2B National Fruit Mango, KG-1A National bird Peacock, Nursery A,B and KG-1B National Flower Lotus with spray painting which not only developed their asthetic sense but they also learnt about National Symbols.

Students in the KG Wing experienced the beauty of schooling outside the traditional classroom. The Students

savored Sunshine after almost a week. BLPS is of the view that students' cognitive abilities are better developed outside the classroom. Students enjoyed their time in Natural surroundings.

Song of the Fortnight

Festival celebrations at preschool help the children to understand the importance of bonding together, sharing joys and celebrating happiness with togetherness. At preschool the child celebrates festivals not just because it offers much enjoyment and thrill but also because it has much more to tell about the country, its history and culture. Keeping all this in mind kindergarten at BLPS celebrated Republic day where students of Kg1 sang a patriotic song and Kg 2 students came dressed as freedom fighters. Nursery students did Spray painting and enchanched their vocabulary by learning a new word 'National' while learning formation of letter 'N'. Patriotism is taught in the school to the children so that they become better citizens. After all, children are the future of the country and we are striving to make our future bright.

Parinder Kaur Coordinator KGWing

we shall overcome
we shall overcome
we shall overcome some day
Oh, deep in my heart
I do believe
we shall overcome some day
we'll walk hand in hand
we'll walk hand in hand
we'll walk hand in hand some day
Oh, deep in my heart
I do believe
we shall overcome some day
we shall all be free
we shall all be free
we shall all be free some day
Oh, deep in my heart
I do believe
we shall overcome some day
we are not alone
we are not alone
we are not alone some day
Oh, deep in my heart
I do believe
we shall overcome some day

Circle Hour :
