Dear Children,

During exams have a routine. Take regular breaks, it helps reduce fatigue. Take a few minutes to stretch and nap. Keep hydrated with water. Take a little time off for your hobby at intervals. Exercise regularly, eat and sleep well. Every morning close your eyes and take deep breathes. It helps you to be realistic and positive. The night before the exams lay out your uniform and everything you need for the exam the next day.

Eat a hearty breakfast. Accept whatever happens in the exam. Stop thinking about the finished exam once it is over!

Best of luck!

Simrita Bawa - School Director

Catch a falling star and put it in your pocket
Never let it fade away
Catch a falling star and put it in your pocket
Save it for a rainy day
For love may come and tap you on the shoulder
Some starless night
Just in case you feel you wanna hold her
You'll have a pocket full of starlight
Catch a falling star and put it in your pocket
Never let it fade away
Catch a falling star and put it in your pocket
Save it for a rainy day
For love may come and tap you on the shoulder
Some starless night
And just in case you feel you wanna hold her
You'll have a pocket full of starlight
(pocket full of starlight)
