### Parent's Message

I am delighted to share my views about BLPS. BLPS is marvellous and outstanding institution which provide golden opportunities to students to do their studies with enthusiasm or zeal and side by side get them involved in co-curricular activities. So it helps to develop all round personality of its students. It is rightly appropriate for education system of BLPS that 'Teach me and I will forget, show me I might remember, involve me I will never forget.' So thank you BLPS from the bottom of my heart specially Ms. Pooja Bhandal by whole learning could be fun and creative for my son.

### Welcome Party :

As the new session began BLPS threw a wonderful party for the KG Wing students. It was a great fun playing with balloons, dancing, cycling, taking swings. The students enjoyed everything with a great zeal and enthusiasm.

### Learning is Fun:

**Learning is Fun:-** Using finger-plays in early childhood is a great way to help young children learn language, enhance motor skills, work on memory social skills and it helps to gain confidence.

Reading is Fun:

Big picture and story books have always been a great attraction for the children .They learn very easily with the picture taking a keen interest and its effects are long lasting.

**Outdoor Visit :-** Visiting a working farm is a wonderful activity, educational and entertaining for children .It brings them close to the nature. So we took students of KG1 and KG2 to a farm house .They not only enjoyed the visit but also learnt a lot about vegetables, fruits, grain, tractor, well and other equipments used to grow crops.

Parent’s Feedback

As a parent , firstly I really want to thank BLPS . Teachers really create and maintain a great classroom environment and by providing learning experience that go beyond the class room . Their hard work can be seen Their polite and humble nature impressed me most. My child is really happy in the school. I'm thankful to teachers and I'm really satisfied that my child has joined BLPS.

With sincerest appreciation

Teacher’s Message

Early childhood education is about honing and molding the holistic child, which will eventually form the basis of their lifelong journey. BLPS gives it in a fun and exciting way that encourages children to be effective learners. We inspire a thirst for learning with eagerness and enthusiasm.

Love of education- for reading, learning, discovery, nature- takes root in preschool. Please don't let your child miss out on this once-in-a-lifetime opportunity One most important thing which is to be kept in mind that every child is gifted .They unwrap their packages at different times .They are confident in spirit, infinite in resources and eager to learn, we just encourage them in the way, they like.

Song of the Month

Red for the poppy, red for the rose  
Red for the tip of the funny man's nose.  
Red for the apple on the tree  
One for you and one for me
