HOLIDAY'S HOMEWORK (2018-19)
GRADE – VIII

Dear Children, Summer Vacation is the time when you can be more candid and creative. This is the time when skills, other than intellectual skills, can be nurtured and developed in your soft and evolving brains. Holiday assignments are focused to let the creative and latent talents, skills and desires of the children come to the surface so that they may be identified and satisfied.

Learn the following song:

Seasons in the Sun

[Westlife](#)

Goodbye to you my trusted friend
We've known each other since we were nine or ten
Together we've climbed hills and trees
Learned of love and ABC's
Skinned our hearts and skinned our knees
Goodbye my friend it's hard to die
When all the birds are singing in the sky
Now that spring is in the air
Pretty girls are everywhere
Think of me and I'll be there
We had joy, we had fun
we had seasons in the sun
But the hills that we climbed
Were just seasons out of time
Goodbye Papa please pray for me
I was the black sheep of the family
You tried to teach me right from wrong
Too much wine and too much song
Wonder how I got along
Goodbye Papa it's hard to die
When all the birds are singing in the sky
Now that the spring is in the air
Little children everywhere
When you...

Music
