DYNAMIC MOVES! CHASING VICTORY!

Students studying in Forms XI & XII were actively engaged in the sport of Kho Kho. They displayed excellent fitness and stamina while chasing, pole diving, dodging and defending.

STRINGS OF TRADITION: STORIES UNRAVELED!

School held a puppet show this weekend, engaging students to learn puppetry - an old traditional craft - active in almost all cultures! Students realized it's used in many different contexts, both spiritual and cultural. Young students believe and relate to puppets, imagining and exploring the fascinating inventive world that puppetry creates.

GLOBAL INSIGHT: MINDS AT THE SUMMIT!

School team, comprising 12 students, participated in the Annual International General Knowledge Olympiad. The contest was hosted by Silverzone and attracted participation from over 1000 students from across the world. The theme of the Olympiad was 'General Knowledge.' Our entire team secured top honors with 4 Gold, 4 Silver and 4 Bronze medals. The judging criteria included a) having a socio-economic worldview, b) knowledge about innovations and c) knowledge about technology.

DIRECTOR'S MESSAGE

Simrita Singh

It's time for the first exams - Periodic Test I. I encourage all students to stay motivated and focused. Believe in your abilities and remember that every effort you put in now will pave the way for future success. Approach each test with confidence and use this opportunity to showcase your hard work and dedication. Stay positive, keep a calm mind and trust in your preparation.

Good Luck!

PRINCIPAL'S MESSAGE

Dear Students
Welcome to May, a month brimming with sunshine, blossoms, and boundless opportunities! As our shared journey unfolds, I want to remind you of how uniquely special each one of you is. Your smiles, laughter, and inquisitive minds illuminate our days! This month is packed with exciting activities tailored just for you. From creative arts to thrilling outdoor escapades, there's something for everyone to relish. Remember, every endeavour is a chance to learn, evolve and forge new friendships! Let's also maintain our focus on academics. Be it mastering new concepts, unraveling the mysteries of numbers, or delving into the marvels of science, your dedication and zest make a significant impact. Believe in yourselves, ask questions, and embrace new challenges without hesitation! Let's engage, learn and revel in the joy of discovery! Let's also pause to admire the wonders of nature that surround us, fueling our creativity. Extend a helping hand to those in need, spreading kindness wherever you tread. Lastly, never forget that your potential knows no bounds and with unwavering dedication and perseverance, you can accomplish anything you set your mind to!

With abundant love and encouragement,
Dr. Ekta Dhawan

Celebrating Baisakhi in the school premises is significant as it fosters cultural awareness and appreciation among students. This vibrant festival, marking the harvest season, offers students an opportunity to learn about and celebrate diverse traditions. It enhances cultural understanding, appreciation for agricultural practices and the promotion of communal harmony. Additionally, such celebrations can develop students' sense of identity and belonging, while encouraging respect for the traditions of others.

ACTIVITIES OF THE MONTH

UNLEASHING COSMIC CURIOSITY!

Anish Kumar (IV Commendables) participated in the National Astronomy & Science Olympiad (NASO) Level - 1. It's a platform that opens the door to acquiring limitless knowledge in the exploration of science and outer space. Our goal at school is to provide a platform for students that enhances a yearning for knowledge. Anish bagged GOLD.

FASHIONING LEGACY! WEAVING STORIES!

FRESH BEGINNINGS! INAUGURATING EXCELLENCE!

Freshers (Form I to Form XI) put up a variety of performances on the occasion of 'Goodbye April.' Our young freshers find a meaningful way to participate that showcases their talents. Performances are partially devised by the children, enabling the nurturing of true creativity. We tap into the cultural experiences of our children, and performances often integrate drama and music.

NAVIGATING PERSPECTIVES!

School's English Debate Team, comprising Hasan Abdal Singh Sharma (X Blossoms) and Kriti Walia (XI Blossoms), participated in the Kapurthala Sahodaya Inter-School English Debate Competition held at Akal Galaxy Convent School, Sultanpur Lodhi. The event attracted participation from 19 schools. The debated theme was 'Should Parents Influence Their Child's Career Choice?' Team BLPS debated for and against the

motion and was able to make reasoned and well-thought-out arguments, in addition to questioning and presenting the evidence behind its particular stance and conclusion.

SILVER SPARKS OF SERVICE!

Students studying in Form IX, pursuing the Duke of Edinburgh / IAYP Silver Award, were actively engaged in community service at Sri Sri Ravi Shankar Vidyalyaya of Art of Living. Our young students sense that volunteering for community service enhances social awareness and responsibility.

HARVESTING KNOWLEDGE: NURTURING NATURE!

Students studying in Form VIII were actively engaged in the lesson 'Learning to Plant a Garden' - planting vegetables, herbs, watering them, and harvesting them.

GOLFING GLORY! SWINGING SUCCESS!

Noordeep Singh (IX Commendables) participated in The Indian Golf Union Jr. Tour 2024, held at Gurgaon. Noordeep finished as the 2nd Runners-up at this All India championship. His golf game has encouraged him to spend more time outdoors in fresh air, fostering better physical health. It instills discipline and patience, as the sport requires sustained concentration and calmness.
