## OUTSTANDING CBSE RESULTS - PERFECT SCORES AND HIGH DISTINCTIONS!

CBSE Board Exam results for Form X and Form XII (Session 2023-24) have been announced. In Form X, out of 68 students, 48 scored above 80%. Anushka scored a distinction with 95.8%, Savri Arora with 95%, and Rumani Gupta with 94%. In Form XII, out of 81 students, 56 scored above 80%. Rachita Arora scored a distinction with 96.2%, Ishleen Kaur with 96%, and Gurleen Kaur with 95.8%. The school is privileged to announce that 32 students scored a perfect 100% in various subjects.

## BEYOND LIMITS - TRAILBLAZERS OF TALENT!

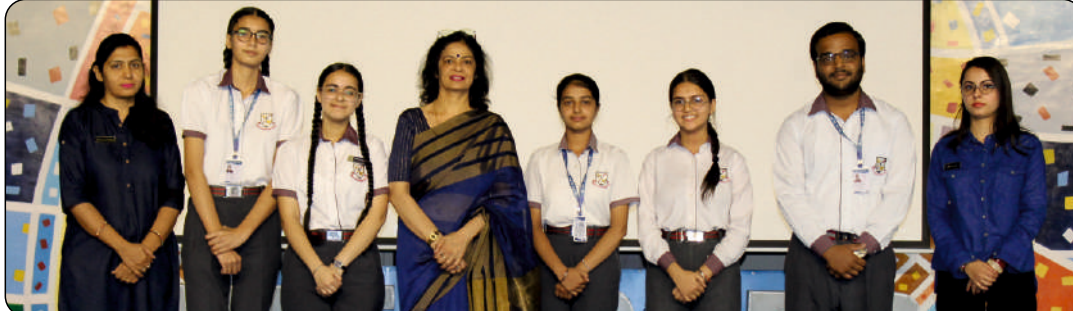

Seven of our brilliant students, ranging from Form II to Form V, have showcased their exceptional intellect by participating in the Hummingbird Olympiad. Their dedication to academic excellence and thirst for knowledge has shone brightly, earning them a well-deserved place among the finest minds.

## MASTERING DEBATE - SILVER HONORS!

The school team, comprising Gurnoor Singh Walia (Form IX) and Sehajpreet Kaur (Form X), participated in the Kapurthala Sahodaya Inter-School Punjabi Debate Competition 2024. The event attracted participation from 20 school teams. The debate challenge provided an opportunity for our students to exhibit their extemporaneous oratory skills, allowing them to strengthen their critical analysis and reasoning skills, as well as develop their confidence in expression and delivery.

## REDEFINING DISCOURSE - IN THE ARENA OF IDEAS!

### DIRECTOR'S MESSAGE

**Simrita Singh**

This summer, seize the opportunity to explore new hobbies, dive into fascinating books and engage in creative projects. Volunteer locally, learn a musical instrument, or start a garden. These activities will enrich your summer, making it both enjoyable and productive. Embrace each day with curiosity and enthusiasm. Make this break unforgettable by expanding your horizons and discovering new passions. Make every moment count and return to school with new skills and experiences.

### PRINCIPAL'S MESSAGE

Dear Students  
As we embrace the summer break, it's crucial to prioritize safety and well-being. The rising temperatures demand our attention, urging everyone to stay hydrated, seek shade, and avoid prolonged exposure to the sun. Let's utilize this break productively and creatively by exploring hobbies, reading, and engaging in constructive activities. This is an excellent time to dive into holiday assignments and study diligently. I encourage everyone to participate wholeheartedly in the Principal's Weekend tasks, focusing on moral and ethical growth. Let's foster a culture of responsibility, kindness and learning. Moreover, let's also remember to spend quality time with family members, enjoying meaningful conversations and creating cherished memories. Additionally, let's extend our compassion to wildlife by putting out water for birds and stray animals and engaging in other acts of kindness towards our environment. Together, let's make this break not just a time of relaxation but also of personal growth, community engagement and environmental stewardship. Stay safe, stay curious, and make the most of this summer break!

Warm regards  
Dr. Ekta Dhawan

School conducted Inter-House English Debate competition in 2024. The topics of the debates were as follows: Form IX - 'The development of artificial intelligence will help humanity,' Form X - 'Can money buy you happiness?,' Form XI - 'Is globalization beneficial for developing countries?,' and Form XII - 'Should there be limits on political campaign spending?' Student debaters representing Forms and spoke for and against the motion.

## PERSONALIZED LOVE: STUDENTS' IMAGINATION ON MOTHER'S DAY!

Fresher preschoolers (Form Nursery to Form I) put on an interesting show in celebration of Mother's Day 2024, expressing their love and devotion to mothers through songs, dances and oratory dedications. It was an opportunity to show how much they appreciate their mothers' care.

## VIVID VENTURES - SHADES OF DISCOVERY! STRENGTH AND SPIRIT: VOVINAM VICTORY!

Preschoolers (Nursery) were actively engaged outdoors learning about colors. This helps our young students sort, organize, categorize and compare objects. Learning to identify and describe colors and objects improves their ability to communicate and express themselves.

Haider Junaid Beg (Form III) participated in the 2nd All Punjab Vovinam Championships. Haider qualified for the finals in the 31 kg weight category, winning his bout and securing the gold medal. Our young student feels that Vovinam is immensely useful for training in self-defense, raising spirit, and self-educating about morality and personality.

## SILVER LINING: HOPE AMIDST CHALLENGES! BUILDING CHAMPIONS - RELAY FOR SUCCESS!

Ashmeet Kaur (Form XI) participated in the All Punjab English Slogan Writing Competition 2024 held at Science City, Kapurthala. The event attracted participation from 37 school teams. Ashmeet's work, titled 'I'm Worried for Your Future, I Think There Is Hope,' was an expression about the children of today facing a new set of challenges and global shifts that were unimaginable to their parents. Our climate is changing beyond recognition, inequality is deepening, technology is transforming how we perceive the world and more families are migrating than ever before.

Students in Form VIII were actively engaged in the beginner's athletics "Track & Field Youth Enrichment Programme." Such track and field practices are excellent introductory classes for our young students who want to build a foundation for participating in regular field sports.
