## KINDERGARTEN EXPRESS

**EKTA DHAWAN - Principal**

Wow, I can't believe that the first quarter of learning for our students is almost over and August is here!

August- the month of Love, Affection & National Festivities making a perfect blend for jubilations. Not only the tiny tots will be celebrating Raksha Bandhan and valuing the bonding between brothers and sisters in the campus but also celebrating the birth of Lord Krishna. The young buds will have the joyful hues with the tinge of patriotism on the onset of 73<sup>rd</sup> Independence Day of India that describes the beauty and dignity of the nation.

May all the festivals bring joy to everyone!

A Very Happy Independence Day!!!

**PURNIMA MANCHANDA

A school lays the foundation of a lifetime or a child. It is the stepping stone for a child. When we think of an ideal school, three thoughts mainly cross our mind: A safe environment, a great team of members & administrators who think for the benefit of the children's growth and a well structured curriculum that keeps up with the trends of the Educational Field. Bawa Lalvani Public School access at all three. As a school, they not only focus on life skills but they also work towards building a child's emotional sensibility. It is mandatory to teach a child what a good human being is in this world of digitalization and of lesser human touch .

## CREATIVITY REFLECTS!

Pre-Schoolers were actively engaged in an interesting Handprinting Activity. Hand printing activities improve intellectual development in Pre-Schoolers - specifically Colour recognition. It also enhances motor and creative skills.

Intra Class Impression Painting Competition - 2019 for Kindergarten was held at BLPS. It was a joyful experience for toddlers. This activity helped the children to develop their aesthetic skills.

## CELEBRATION OF FRIENDSHIP DAY

Students studying in KG-II accompanied by their form tutors - Arshdeep, Jaswinder & Manjula visited Seechewal Ashram at Sultanpur Lodhi to celebrate Friendship Day. The students tied the Friendship Band on the wrist of the children studying in Ashram and presented small gifts to them. Children rendered the selfless service which is the core mission of Seechewal Ashram.

# TARGET THE CIRCLE

Kindergarteners studying in KG-1 were actively engaged in 'Drop in Circle' game. This game enhanced concentration and hand-eye coordination in young students.

## OUTDOOR VISIT TO DOMINO'S

Kindergarteners went on a Study Observation Trip to 'Dominos'. They were delighted to observe and participate in PIZZA MAKING process. They also enjoyed a treat of freshly baked pizzas of their own choice.

## TEACHER'S MESSAGE

Successful teachers are those that have the ability to maximise the learning potential of all students in their class. Developing positive relationships between a teacher and a student is a fundamental aspect of quality teaching and student learning. Positive Teacher - Pupil relationships promote a sense of belonging towards the school and encourage students to participate co-operatively. Students develop confidence to experiment and succeed in an environment where they are not restricted by the fear of failure. Teachers are able to assist students with motivation. And the students may take it as advice and guidance.
