INTRA CLASS HINDI DEBATE COMPETITION:

Nandika

Sumandeep Kaur

In order to refine oratory skills of the students, school held Annual Intra Class Hindi Debate Competition. The event attracted participation by the students studying in Grade IX to XII as contestants. The Topics debated were,

सरकार द्वारा बनाये गये नए कृषि कानून किसानों के हित में है या नहीं ?, टीकाकरण कोरोना के कहर को रोकने में सार्थक सिद्ध हो रहा है या नहीं?, दसवी की परीक्षा रद्द - छात्रों के परिणाम उचित या अनुचित ? & कोविड काल में टेक्नोलॉजी वरदान साबित हुई - सही या गलत ? for/against the motion.

ALL PUNJAB LEVEL - II SPEECH DELIVERY COMPETITION:

Hasan Abdal Singh Sharma (VII Adorables) secured 1st position in Second Level Speech Competition (Age Group - 10 to 16 years) organized jointly by Puranjot Eye Bank, Ludhiana & Sight Saver Charitable Society, Phagwara. The topics for the speech were 'How to beat boredom in lockdown' or 'How to build immunity against Covid'. Hasan exhibited great oratorical skills. The energy exuded by him was overwhelming. The young speaker enthralled the judges with his articulation & memory skills and succeeded to clinch first position winning Cash prize worth Rs. 5000/-.

DIRECTOR'S MESSAGE

Simrita Bawa

Dear Children,

We are so glad that you enjoyed the virtual Summer Camp organised at our School! With school out, and some covid restrictions still in place, these activities are the best way to keep you constructively happy and entertained. We like structure to keep the family on track! Enjoyed your videos on Facebook. Chin up for the new term. Stay safe and strong.

PRINCIPAL'S MESSAGE

Dr. Ekta Dhawan

Dear Parents!

Hope you all are doing well and safely spending time with your kids. While keenly observing the effects of COVID on our lives, I felt that students were missing the opportunities to explore creativity. Their minds were in dire need of recreational activities through which they can relish quality time. For this purpose, our artistic and ingenious teachers devised a very oriented virtual camp. This camp was focused to get the creative juices of kids flowing. It was a tough row to hoe for our teachers to engage all students in tasks. But I am pleased to share that I saw the active participation of the students in all the activities related to Art and Craft, Dancing, Cooking and Theatre. Special Mention, the Summer Study Camp organised for the students studying in Grade X to XII too concluded on a brilliant knock. I am overwhelmed by the success of these camps and want to extend my gratitude towards Parents who supported their young ones to be part of this extravaganza. Best of Luck for Upcoming Periodics !!!

ACTIVITIES OF THE MONTH

SUMMER CAMP 2021 FOR GRADE I TO IX:

Summer camps are ideal for children and teens to learn new skills; the youngsters have missed out on a lot of these opportunities during the COVID-19 pandemic. School's *Summer Camp 2021* for the students studying in Grade I to IX was designed from 14-06-2021 to Dt: 26-06-2021, amid fun and learning. The camp was focused on 3 R's rejuvenation, recreation and reinforcement. Different Tutorials like Art & Craft, Dance, and Cooking & Theatre were curated to improve concentration, learning, imagination & sense of responsibility, amongst the young ones. Besides this pageantry, *Summer Study Camp* was organized for the students studying in Grade X to XII which assisted them to brush up the whole syllabus covered till the month of June as well as to give more clarity on certain concepts just before the *Periodic Exams*.

Cooking Class

Theatre Act

DIY - Art & Craft Activity

Dance Activity

PARENT'S FEEDBACK:

My daughter misses her school badly, but the way the online classes are going on in an interactive way and additionally the Summer Camp classes, she is enjoying a lot. I didn't need to wake her up in the morning; rather she was so excited that she got up on her own so that she might not miss her summer camp classes. The total credit goes to the Principal and Team BLPS for making these classes too interesting and fun loaded that she feels rejuvenated throughout the day.

Prof. (Dr.) Ashwani Rana
Divyanshi Rana
(V Dazzlers)

I would like to congratulate the school management and Principal ma'am for arranging such interactive online summer camp. My daughter 'Paarika' thoroughly enjoyed it. It was a great learning occurrence for her. She enjoyed both Dance and Art & Craft classes. Thank you to all teachers for making the virtual summer camp such wonderful and memorable experience for my daughter. I am sure that now onwards, my daughter will pursue these newly learnt skills to spend her free time.

(I Blossoms)

STUDENT'S FEEDBACK:

The best thing I have acquired from my Theatre classes is the art of communication. I have learnt to express myself clearly and thoughtfully. I have also learnt how to be comfortable while interacting with a large number of people. These classes assisted me to be more confident and voice my perspective transparently. It has stimulated my creativity and thought process. The experience of theatre made me more aware and sensitive towards several issues.

I have really enjoyed it a lot!

Kavya Sharma
(IX Blossoms)

Due to the summer camp, the boring hours of the day turned into beneficial one. Our school made us learn mouth-watering dishes. I never thought that in fireless cooking we can make such yummy food items. My family enjoyed the dishes and appreciated the way the teachers taught such delicious dishes. A cooking class in itself is fun, as is having the ability to cook at home. Now on I will be able to use my newfound skill as cook to whip up something delicious for me and my family.

Rumani Gupta
(VIII ADORABLES)
