## FUN AND ADVENTURE IN SCHOOL

Students studying in Kindergarten were actively engaged in a day full of "Adventure Sports Activities" conducted by ROCKSPORT. Students experienced a variety of adventurous sports under the direction of the Team of Fitness Professionals at School. Students were rotated through various stations to engage in a) Rock Climbing b) Trench Crawling c) Zip Line Traversing d) Zorbing & e) River Bridge Crossing. Thus school inculcated in young students a desire for a healthier and happier daily routine. All these activities provided endurance building sports and active leisure experiences to our students.

**HOLIDAYS: 11&12 NOVEMBER**

**RAINFALL DATES: 16 NOVEMBER**

**EKTA DHAWAN**  
PRINCIPAL

Dear Parents and Guardians,

Innovative ideas have been undertaken occasionally to pique the kindergartener's curiosity for learning. They learn by observing, listening, exploring, experimenting and asking questions. Kindergarteners did a lot to nurture these skills during their Morning Assemblies & Adventure Camps. Basically a child is not born with social skills – they have to learn them, just like they have to learn to read and write. So our prime motive is to provide the chance to each child to play with other children. It is a great way for them to develop the skills they need to get on with others. This kind of teaching in the classroom will empower our kindergartens to think beyond four walls.

## FANCY DRESS COMPETITION

Students of Kindergarten participated in Fancy Dress Contest 2019. Children were dressed in attractive & appealing outfits. They gave utterances with confidence. The contest was an opportunity for young students to come into their own by independently speaking to an audience.

**HEENA CHOPRA**

Mother of Tanmay Chopra -Nur(C)

BLPS is a wonderful and creative place for our kid. BLPS has made my child more confident. We sincerely thank you and acknowledge with a deep sense of appreciation -your concern and dedication in providing a quality education and atmosphere to all the kids. Thank you for offering such a great platform with so many activities and great teachers. I feel that my son is receiving the best he needs at this stage of schooling.

## COLOUR IDENTIFICATION ACTIVITY

Students studying in Nursery were engaged in an interesting colour identification and sorting activity. The Preschoolers seemed to be thrilled sorting colours. This colour game for preschool helped the young kids learn how to sort blue, red, green and yellow objects.

## STACK ON POLE AND SPRINT

Kindergarteners studying in KG II were actively engaged in an interesting game "Stack on Pole & Sprint" assisted by their Form Tutors. It is a high energy game i.e. essential for developing movement skills.

## ENHANCEMENT OF SENSORY AND MOTOR SKILLS

Kindergarteners studying in Nursery were actively engaged in an interesting "Sensory Activity & Game". Kindergarteners enjoy Sensory Play, it supports Speech Development, Cognitive Growth, Motor Skills and Social Interaction. Sensory Play helps children to learn vitally important sensory attributes.

## TEACHER'S MESSAGE

School teachers contribute tremendously to student development. Children experience a lot in their formative years and this shapes them into the person they will become in future. Due to the sheer amount of time that school is in session, teachers are tasked with being positive role models and mentors to their students every day. Students learn so much more than Maths, language arts, and social studies from their teachers - they learn social skills, like how to be kind to others and make friends, when to ask for help or be independent, how to distinguish between right and wrong, and other life lessons that parents tend to echo.

A: Shri Guru Gobind Singh Ji.  
Q4. Name the present Guru of Sikhs.  
A: Shri Guru Granth Sahib Ji.

## SONG OF THE MONTH

See the window I have here,  
So big and wide and square.  
I can stand in front of it,  
And see the things out there.
