DIRECTOR'S MESSAGE

Simrita Bawa

Dear Children,
As you proceed towards the closure of the 2019-2020 term, I would like to share a few words of wisdom with you on the onset of your Honours Day! You are heading to be successful for what? Is it winning? Is it for power? Is it for beating your rival? My advice to you would be to develop a good character and instill in yourself a good set of virtues and values. Such as developing empathy, honesty, tolerance and brotherhood for your peers and Teachers. Respect your Teachers, your books and your time. Knowledge will pour into you when you have an open mind. Be creative, hone your talent! Paint, sing, play sport do whatever you are passionate about because that skill is going to make you a honourable person.

PRINCIPAL'S MESSAGE

Ekta Dhawan

Dear Parents,
The beginning of the year always holds such excitement and promise, and for us it is an annual rite of passage where we open our doors and share with you our hopes and dreams for the coming year. It has been rightly said, "If a plant is carefully nurtured by a gardener, it will become good, and produce better fruits." Therefore, children must be given a good training from their earliest childhood. And we are here for the same. I am sure that our students of today, tomorrow will carry forward the Motto of love and unity entrusted in their hands at BLPS.

We know how important our children are and we do all that we can to educate them in a creative, artistic, and nurturing environment where the sky is the limit! Our teachers and faculty work to ensure each child is prepared for the world of tomorrow!

"Do the work with intention not because of compulsion."
With all my love, best wishes and blessings!

PARENT'S MESSAGE :

What a brilliant school BLPS is! The staff is so experienced and understanding. They are highly trained in autism and understanding my children's needs. BLPS provides a second home to my child. It not only provides education but also brings in moral aspects. It has given my child a platform to perform and an opportunity to explore the new world. It is an institution where everything is systematically planned thus providing a happy and safe environment to learn things. And for this I specially thank the Management and Principal Ms. Ekta Dhawan.
