## GRADUATION DAY

**EKTA DHAWAN**  
PRINCIPAL

Dear Parents,  
As the Kindergarten's Session comes to a close, our minds and hearts are filled to the brim. It's been a great year! Together we've learned much and shared experiences that will long remain with us in the years to come. Special thanks to our parents who have contributed in ways small, large, and unimaginable! I take this opportunity to congratulate all Kindergarteners of BLPS for getting through with flying colours! There are good things waiting for you just around the corner. So step out with confidence and take new opportunities in your stride. I look forward to see you in next Grades.

So, on that final note, I would like to wish All the very Best to you for the Next Grade!

**DISHA BHALLA**

Mother of Yashika Sharma -Nur(A)

Being a parent, one always wants a school for their child that is always ready to welcome, to begin your child's journey into a citizen of tomorrow. And I can proudly state this for BLPS, where my tiny tot is a student of Nursery grade. I am glad that my daughter is part of such a prestigious institution that aims not only of core academic subjects but also on values and life skills which make the child a better human being. I would like to extend a big thanks to the worthy Principal Ms. Ekta Dhawan and esteemed teachers for creating a wonderful atmosphere, where the child is always keen to go. May BLPS soar great heights in times to follow!

## OBSTACLES GAMES

Our Preschoolers, studying in Nursery, were actively engaged playing through obstacles on a specially laid out course, young students were geared up to climb on a jungle mesh, squeeze through tyres and balance on beams. Preschoolers are lapping up obstacle games for reasons ranging from confidence-building to leading an active lifestyle in their formative years.

## ARM TUG

Our Kindergarteners studying in KG-I were actively engaged in playing *Arm Tug* - an interesting sporting activity. The Kindergarteners feel immensely rejuvenated being engaged in outdoors.

## THREE- LEGGED RACE

Our kindergartners studying in KG-II were actively engaged in playing games outdoors. The young students love being tied together with a friend while they enjoy the challenge of trying to walk and run together.

## PARENTS TEACHER MEET

School hosted meeting for parents of students studying in Kindergarten. The main focus at the meeting was centered around 'Adapting to Learning, Revision and Examinations', Parents interacted with Teachers to discuss factors that can improve learning and understanding of concepts. PTM provided a great opportunity to discuss issues that may be interfering with students' learning and growth at School.

## TEACHER'S MESSAGE

Teaching is a rewarding career with excellent potential for growth and advancement. It is a great way to set you up for success. Being a teacher is challenging at times. Even the most difficult day of teaching will provide you the same positive experiences. A teacher needs to enhance her knowledge and understand the child's strength and weakness. Instilling a love of learning into a child's life or making him feel valued are priceless benefits of teaching.

**Jyoti Arora,**  
KG Instructor

A: Holi is known as the festival of colours.

## SONG- THE LISTENING SONG

*Eyes are watching,  
Ears are listening,  
Lips are closed,  
Hands are still  
Feet are very quiet.  
You should really try it  
Listening well,  
Listening well.*
