but no one idolized."

OUR DREAM CITY-MISSION CLEAN INDIA

It is essential to make young people the main protagonists of cleanliness as they make it easier to spread the word of Swachhta (cleanliness) in society and motivate others to keep their homes and surroundings clean, thereby ensuring the success of the cleanliness campaign 'Swachh Bharat', the national campaign to keep our country clean.

The International Award for Young People is a platform to engage young people in Voluntary Service and instill values in them. The IAYP participants of Bawa Lalvani Public School, Kapurthala, organized a cleanliness drive in the city of Kapurthala in the month of October 2019. The students enthusiastically took up brooms and garbage bags to clean every nook and corner of Kamerabagh in the heart of the city Kapurthala.

The whole drive was inspiring and motivating, fostering introspection in the young participants. The young people realized that any ideology is best learnt with action!
