

Established 2001

BAWA-LALVANI PUBLIC SCHOOL

CBSE Affiliation No. 1630328

Academic Coordinators communicate with parents on a daily basis. We also schedule regular parent-teacher conferences (one parent at a time) during which we review and discuss children's progress after every Testing/Exam Cycle. Communication with parents is an important part of our program. Our teachers are always available to talk with parents. Care calls are being made to individual parents. Homework is being checked by the teachers and feedback is given to the parents.
