DIRECTOR'S MESSAGE

Simrita Bawa

Dear Children,
Here are my initial thoughts that I am willing to share with you on your return to School in the new term. Focus on hand washing frequently, wearing a mask at all times is imperative, line up with a six feet distance, desks should be spaced at all times, before and after playground time/ recess hands to be duly sanitized and clean all your belongings before going home for the day! In case of an upset stomach, fever or a stuffy nose kindly report to the nurse in the School infirmary. Stay safe, strong and sanitized!

PRINCIPAL'S MESSAGE

Dr. Ekta Dhawan

Dear Students & Parents
Greetings! The world we live in today looks drastically different than the one we knew just a month ago. This transition has not been easy. BLPS intends to open the campus once again for the students of the Class of 2020-21, and welcome back the current students that we have all missed so much. Though the students remained active throughout the session through various virtual activities. Now is the time to have them back in the campus and make it more vibrant and colourful. The benefits of BLPS education extend beyond the brick and mortar of our building. Our talented faculty, through exceptional pedagogical practices and technological mastery, was instrumental in our successful and smooth transition to hybrid. BLPS is committed to provide asynchronous lessons supported with live instruction for all students. We remain confident that the qualities that make BLPS so special, from our personalized approach to learning and our intimate class sizes, place us in an exclusive position to continue the mission of educating the hearts and minds of young men and women regardless of what the future holds. God Bless us all !

OUR PHENOMENAL STARS :

School is pleased to announce that the prestigious "The Duke of Edinburgh's International SILVER AWARD for the Voluntary Service" was conferred on our Team of Students studying in Grade XI (Class of 2019) for their team's efforts in applying exemplary community services in the society. The Silver award was secured by Tejvir Walia, Sanya Gupta, Keerti Agnihotri, Harjasan Singh, Jatin Gupta, Parth Dhir. On being conferred the Silver Award, our Students felt emancipated and have realised, in today's highly competitive world, SUCCESS is rarely achieved without a helping hand or a positive, life-changing experience, this Award experience has laid a foundation for each of them to build resilience in an endeavor towards successfully navigating the challenging path to adulthood; broadening their life skills and preparing them for their future studies & Career.

IAYP : A WAY OF LIFE

For any student to achieve the Duke of Edinburgh's Gold Award whilst maintaining their academic standards, extracurricular commitments and enormous range of other activities under COVID conditions during 2020-21 is highly commendable, but for 5 Students (Grade XII) to do this within the Academic year is outstanding. Divyash Gupta, Sanchit Sharma, Anshul Gupta, Khushi Walia & Akshita Oberoi of Grade XII (Class of 2019-20) are to be commended for their commitment, organisation, teamwork, resilience and sheer determination to succeed. It has been a real privilege to work alongside the Students at Village Aujla & Bishanpura in Punjab, to share their enthusiasm and to support them on their Agriculture & Dairy Farming expeditions. Nicest way to celebrate National Youth Day 2021!

PARENT'S MESSAGE :

Such a fantastic school BLPS is! I am proud that my child is part of this. Besides education, moral aspects and overall development of the child is also important and that is what BLPS gives to its students. I really appreciate the excellent work by the leadership team and the staff in making this an excellent platform for the children. The staff, especially teachers are very helpful and supportive. I am really happy with the progress my children have made in the school. I have observed how my children have improved and gained confidence. I am very impressed with the type of teachings my children have had and for all this I would like to say a big thank you to the management, staff and Principal: Ms. Ekta Dhawan. My best wishes are always there for the success of this School.
