Dear Children,

The journey into self love and self acceptance must begin with self examination! Until you embark upon this journey it is impossible to learn in life. Best of luck for the forthcoming new Session. Believe in the future!

Compliment yourselves for your endeavour to overcome the trials and tribulations of the past year.

Keep going.....

Every accomplishment starts with the decision to TRY.

Dear Students & Parents

March....in Like a Lion, Out Like a Lamb! It seems February passed by in the blink of an eye. Whereas the month of March is a time of transitioning from the many winter activities into the anticipation of spring. We are looking forward to warm weather, longer days of sunshine and the smell of fresh cut grass! Taking the advantage of this favorable weather, BLPS initiated with another innovative idea to strengthen unique learning environment for its pupils i.e. Cycling Drive. The faculty took the lead & began this drive in order to set an example for the students to practice Cycling as it reduces anxiety, depression and other psychological problems that youth is facing today. We are also looking forward to academic gains of our students, concepts finally coming together and opportunities for students to show what they have learned! This is the time of year where all the things that our students have learned are finally coming together and "light bulbs" are lighting up! When we stop and take a few minutes to reflect back to the beginning of the year we have seen great successes of learning in our students. We are now on the "down-hill slope"! We have only few weeks of school left and we will continue to push our students to reach their potential! One way that you can help to continue to build your child's reading skills is to spend time reading to them. Read to your child every day. Discuss the book with them as you read, and pose questions to them that will make them think beyond the story. You would be amazed at how much your child will grow as a reader from this experience! Try it out this month! God Bless us all!
