COLOURING COMPETITION

School held Colouring Contest 2021 for participation by Preschoolers. Colouring is a joyful experience for young students, allowing them to have more space for creativity and thereby paving their way to create unique works of art specific to their imagination. It's a rewarding experience, since it builds colour and shape recognition skills, allowing

kindergarteners to explore their sense of objects. It is also great for fine-tuning their motor skills. The works by preschoolers were adjudged on the basis of a) Colour Scheme b) Neatness & c) Presentation.

Students were assisted by their parents as well as mentored by Manjula Bathla, Mandeep Kaur, Anu Sagar and Suchika - KG Teachers.

FUN WITH ENGLISH

Recitation enhances expression and pronunciation, starting at a tender age. Keeping the thought in mind, our kindergarteners studying in KG - II were actively engaged in English language tutorials ' Fun with Learning English ' Dt: 27-4-2021.

WORLD BOOK DAY

Students studying in grade Nur to V observed the day in support of Reading for pleasure. It is considered as the single biggest indicator of a child's future success. Our Students & Teachers laid emphasis on 'shared reading', for just 10 minutes a day, can have a long-lasting impact, bringing with it welcome change in children's lives by making reading for pleasure the habit of a lifetime. World Book Day aims to get children and adults excited about reading.

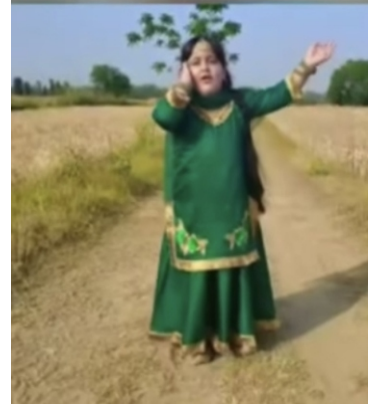

RAKESH KUMAR
Father of Yuvraj Sahota (KG I- D)

I would like to express my appreciation towards BLPS for the commendable job they are doing with the online classes. It's truly a new adventure for both the students as well as the teachers. Preparing lessons, imparting the best of learning and at the same time maintaining discipline by keeping them engaged with various activities, all this without being physically present, calls for the highest appreciation. Once again a big thanks to the whole team of BLPS for providing all the facilities which are helping my child to learn on daily basis.

BAISAKHI CELEBRATION

Kindergarteners studying in KG-II (even though restricted to their homes), celebrated the festival of Baisakhi with much pomp and fervour. It's one of the most significant festivals for Punjabis around the world. Our Kindergarteners understood its significance as a thanks giving day by the farming community. The tiny tots celebrated Baisakhi virtually all decked up in beautiful dresses and showing pictures and videos online. Some students keep the feel of festival alive by dressing in traditional attire and performing folk dance.

NATIONAL PET DAY

Kindergarteners studying in KG-II firmly believe, as pet owners, there's not a day that goes by that pet lovers don't celebrate their animal companion! It's a day to bond with your pet and that's not all. Over the past 10 years, the National Institutes of Health (NIH) has been a partner in research to determine the physical and mental benefits of having a pet. It turns out that not only can pets steal our hearts, but they also contribute to overall health by keeping us rejuvenated.

WORLD HEALTH ORGANIZATION DAY

The tiny tots of KG-II came out in support of this UN observance by adopting this year's theme 'Building a Fairer, Healthier World'. Our young students not only prayed for each other's good health and well-being but also reaffirmed our gratitude towards all those doctors, nurses, medical staff and healthcare workers who are bravely leading the battle against the COVID -19 menace. Basically, this day inspires us towards focusing on personal fitness through the year, which would help improve our overall health. It is the perfect opportunity to educate our students on a variety of health related issue and make them understand that our health is wealth.

TEACHER'S MESSAGE

As a teacher, it is so rewarding to go to work and be surrounded by the love all around me. It is such an honour to be able to teach students and love them while they are in my care. There is nothing more magical than watching my students succeed & grasp new concepts. BLPS has given me the opportunity to share my passion and knowledge with others. Thank you, BLPS for giving me this opportunity!
