DIRECTOR'S MESSAGE

Simrita Bawa

Dear Children,

"The life in front of you is far more important than the one behind you".

This is the lesson we have learnt this year. This term stands before us like a chapter in a book, waiting to be written.

Put on your thinking caps and navigate your own path.

Focus, aim and strike!

We welcome you to an exciting year ahead.

Stay blessed and protected.

PRINCIPAL'S MESSAGE

Dr. Ekta Dhawan

Dear Parents

I am elated to introduce the latest modes of learning system during the academic session 2021-2022. I hope you all are safe and healthy in the spell of pandemic Covid-19. As being under the pressure of the on-going pandemic, we are coming up with positive energies and continuing the quality education system by using the latest inductions of institutional I.T tools. Our simplest way of teaching via online methodology is getting advanced day by day without neglecting a single loop hole.

Once again, we are ready with a plethora of extracurricular activities (*virtual*) in which the students can participate by being at home. I am certain of the fact that it would be extraordinarily helpful in forming the joyful learning process. We want all our students to take part in these activities happily as it will be the greatest source of entertainment in these on-going intense days.

I have already enlightened the clay pot with the hope that sooner we, as a whole nation, will defeat this pandemic and come out of it happily by resumption of daily basis regular routine.

My Love for students is endless and I am aiming higher for their academic growth which leads them towards another level of success.

God Bless us all!

WORLD HOMEOPATHY DAY 2021:

Homeopathy is one of the most popular medical systems in India and a prime component of the Medicine systems in the AYUSH 'Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy' Ministry of Government of India. The students studying in Grade-XII Adorables observed this day absorbing and understanding its importance. Our Medical Doctors aim to identify and propose strategic actions towards an effective and efficient inclusion of Homoeopathy in conventional medical care, in line with this year's theme ' Homoeopathy & Naturopathy - Ultimate Green Medicine '.

BIRTH ANNIVERSARY OF DR. B.R. AMBEDKAR:

On the occasion of the 130th anniversary of Dr. B. R. Ambedkar, the Students of Grade XII Dazzlers paid homage to him Dt: 14-4-2021, celebrated as 'Equality Day' in India. The students related to Dr. Ambedkar as a key architect of India's constitution, Ambedkar is an icon for all Indians for his relentless work for social reforms and empowerment of the disadvantaged sections of our society. The students learnt and felt inspired from the beliefs laid out by Dr. Ambedkar.

DUKE OF EDINBURGH'S INTERNATIONAL GOLD AWARD:

The prestigious "The Duke of Edinburgh's International GOLD AWARD for Voluntary Service" has been secured by our Team of Students studying in Grade XII (Class of 2019) for becoming Independent, Self Sufficient individuals & rendering exemplary community service in society. The Gold awards announced are to be conferred on Khushi Walia, Anshul Gupta, Akshita Oberoi, Sanchit Sharma & Divyansh Gupta. In today's highly competitive world, SUCCESS is rarely achieved without a helping hand or a positive, life-changing experience, this Award experience has laid a foundation for each of them to build resilience in an endeavour successfully navigating the challenging path to adulthood; broadening their life skills and preparing them for their future studies & Career.

Parent Message

Mrs. Sarabjit Kainth
Mother of Pavitar Kaur
Grade IX-Blossoms

While expressing my feelings about BLPS, considering my daughter's growth in this institution, I feel proud to be part of BLPS. Teaching staff is very helpful and caring. All the teachers are putting their best endeavours. This is the reason BLPS children shine like stars. The educationists, here, encourage students to participate in all the activities. School Management and the Principal, Dr. Ekta Dhawan are doing their utmost to raise the standards of the school. I appreciate their hard work. I wish all the members of the BLPS good luck for the year!

WORLD HERITAGE DAY 2021:

The chief purpose of celebrating the World Heritage Day as essential part of the Schools Co-Curricular activity calendar is to increase awareness and encourage the Students about the preservation of the cultural heritages, monuments of Kapurthala. The Students studying in Grade VI Blossoms enthusiastically participated in the World Heritage Day (WHD) consciousness, over the weekend in observance of WHD. To know about persons responsible for creating and having lived the refined culture and tradition of the Town, which is so very necessary to protect and preserve!

WORLD EARTH DAY 2021:

The Students studying in Grade VI Adorables observed the day as concerned & conscientious individuals celebrate the day thinking about actions and initiatives that could be converted into efforts towards restoring our environment to its original grandeur, and relearn how to respect Nature. Students created Slogans as 'affirmations' to raise awareness about critical issues that planet Earth is facing based on a theme 'Restore our Earth'.

AYUSHMAAN BHARAT DIWAS 2021:

The Students studying in Grade VII Blossoms had shown keen interest in the ongoing social security initiatives taken by Govt. of India. They researched Ayushman Bharat - National Health Protection Scheme (AB-NHPS). This ambitious National Health Protection Mission aims to provide coverage of Rs 5 lakh per family annually, benefiting more than 10 crore poor families. Students highlighted that the scheme would target poor, deprived rural families and would cover around 50 crore people. Students were mentored by Meenu (TGT). Thus the students enlightened the folks about the significance of the day throwing light upon its various strands.
