DIRECTOR'S MESSAGE

Simrita Bawa

Dear Children,
You must be delighted to have your summer break! Enjoy the Summer Camp online this time. Fuel your inspiration doing your art, dance, craft and cooking classes.

ART is the journey of the soul!
DANCE helps us unwind and is the joy of movement and the heart of our lives!
COOKING helps our imagination. It orchestrates our senses! We cannot always choose the music life plays but we can choose how we dance to it. When you can't find the sunshine you seek, be the SUNSHINE.

Happy Holidays.

Dear Parents
Greetings, BLPS family!
I hope this message finds you healthy and well. We are heading into the home stretch of the school year, and we're looking to finish strong – balancing hard work with celebrating our Eagles' successes. Our students & staff have got a much-deserved Summer Break! Our students have done a tremendous job till now to overcome so many challenges and I am sure they must have taken a "brain break" on their weeks off. In addition to all of our extracurricular activities, the month of June is a busy testing month as we are hosting an exciting Virtual Summer Camp as well as Summer Study Camp for the students of Grade Nursery to Grade XII. I am of the strong belief that all the students are participating in this camp with great zeal and enthusiasm and enjoying it. In closing, I want to reiterate my gratitude for your continued support and wish you and your family good health and good spirits. Warmer weather and better times are here!
God Bless Us All!

Grade I - Dazzlers

Choosing a school is difficult task for our young ones. Since, we have moved from Bangalore to Punjab, so were looking for a school which can match the standards of schools in Bangalore. We did good amount of research and reviewed feedbacks of various people, and finally selected Bawa-Lalvani Public School, Kapurthala. The best thing, I like in this school is the well planned interaction between teachers and students. They just not focus on covering syllabus but make sure students are learning properly and following right path. I observed my kid is learning and gaining knowledge everyday. I am fully satisfied with overall development of my kid, and would surely like to recommend this school.

INTRA CLASS ENGLISH DEBATE COMPETITION :

School held Annual Intra Class English Debate Competition 2021, Dt: 6-5-2021. The event attracted participation by students studying in Grade IX - Grade XII. The topic at the debates was titled "LOCKDOWN - a proven solution to restrict spread of COVID 19 ?". Our Student Debaters competed enthusiastically & spoke for and against the motion. The debates were judged based on a) Pronunciation, b) Content, c) Poise & accentuation through appropriate Physical gestures & d) Tone & Speech articulation. The participants, armed with statistics and data made their arguments more emphatic with their righteous facial expressions and voice modulation. They exhibited great oratory skill. The competition was an enthralling experience for the speakers as well as for the viewers.
