FANCY DRESS CONTEST 2021

Naira Kataria

Harsh Kumar

Pahul Singh

Ryena Kishore

Kapish Sehgal

Sargun Kaur

Trishika Behl

Harsifat Kaur

Tejas Joshi

Participating in different contests aids in removal of stage fear in young students. Propagating the idea, the school's Preschool Wing held Fancy Dress Contest 2021 Dt: 28-05-2021. The Fancy Dress contest was an exciting time for the students studying in Grade Nursery. The contest was very colourful. Our Preschoolers were encouraged to participate so that they develop confidence to speak to an audience. Prizes for "Most unique character", "Fanciest dress" etc were announced in felicitation of the winners.

DR. EKTA DHAWAN
PRINCIPAL

Dear Parents!

Hope you all are doing well and safely spending time with your kids. While keenly observing the effects of COVID on our lives, I felt that students were missing the opportunities to explore creativity. Their minds were in dire need of recreational activities through which they can relish quality time. For this purpose, our artistic and ingenious teachers devised a very oriented virtual camp. This camp was focused to get the creative juices of kids flowing. It was a tough row to hoe for our teachers to engage all students in tasks. But I am pleased to share that I saw the active participation of our tiny tots in all the activities related to dancing, painting, and drawing. The students loved indulging themselves in creative and skill-based activities. These seemed fun to them and they were delighted to try something new that was out of their league before. Besides, these activities kids represented themselves to be eggheaded by utilizing the unused things of home to create aesthetic and fascinating decorations. This camp was the true opportunity for the students to uncover their covert endowments. I am overwhelmed by the success of the camp and want to extend my gratitude towards Parents who supported their little ones to be part of this fun and frolic extravaganza. Best of Luck for Upcoming Ventures!!!

GURMUKH SINGH
Father of Japnoor Singh (KG II- B)

BLPS supports and encourages every student to do best and make progress. It provides a physical, social and spiritual ambience in which values and ideals are more than just words. We are grateful to BLPS to develop responsible global citizens and leaders by providing a world class education. As parents we try to give our child the best of everything at home and we rest easy because we know our child will get the best of everything at school too. Special mention, the endeavours put up by BLPS in Virtual Summer Camp proved a blessing as my child learnt so many new things & enhanced his skills.

INTACH ACHIEVEMENTS

Srisha Behl and Gyanam Gupta (KG - I Commendables) participated in the Young INTACH's Colour the Heritage Collection Challenge 2021 Dt: 28-05-2021 (Equestrian Sports, Madhuhbani Prints, Recreating breakfast time) and bagged Gold & Silver respectively. Young INTACH propagates, especially amongst Kindergarteners the value of art class - that it goes far beyond helping

children develop their skills with painting or sculpture - as kindergarteners learn to be artists, they are developing life skills that will help to prepare them for their future; whether they become professional artists or not.

Kartik Gupta (KG-I Adorables) imagines actionable solutions to protect and restore healthy ecosystems that are resilient to the threats posed by urbanization & climate change. Taking inspiration, he participated and won Special Prize in the Young INTACH's 'REIMAGINE: RECREATE: RESTORE' poster making contest Dt: 01-06-2021 based on the theme Ecosystem Warrior Challenge 2021.

Avika Gupta, (KG II Commendables) won in the Young INTACH's Family Legacy Photo Challenge 2021 Dt: 15-06-2021. Our kindergartener is developing a liking for collecting family photos; these can be vital memory cues for Forgotten times. The Nationwide contest required mentioning Heritage value of the images collected. Our Kindergartener's entry successfully bagged Silver.

LET'S REJOICE WITH COLOURS!!!

Colouring is a joyful experience for our young students, allowing them more space for creativity and thereby paving their way to create unique works of art specific to their imagination. Relishing this thought, our kindergarteners were actively engaged in Drawing & Colouring Lessons. Colouring is a rewarding experience, since it builds colour and shape recognition skills.

GLIMPSES OF VIRTUAL SUMMER ACTIVITIES CAMP

Summer camps are ideal for children and teens to learn new skills; Kids have missed out on a lot of these opportunities during the COVID-19 pandemic. School's Summer Camp 2021 for Preschoolers was designed from 14-06-2021 to Dt: 26-06-2021, amid fun and learning. The camp was focused on 3 R's rejuvenation, recreation and reinforcement. Different Tutorials like Craft, Dance & DIY were curated to improve concentration, learning, imagination & sense of responsibility, amongst the young ones. Preschoolers supported by their parents were actively engaged in Crafts activities. They learnt to make Cactus Pet Rock, Popsicle Tractor as well as Paper Lion. Kindergarteners embraced the joy of dancing too. They enjoyed dancing and tapped on rhythm with their tiny feet. The students learnt to prepare CD Lady Bug, Egg Carton Flowers and DIY Button Fish Craft using material available at home. All these activities assisted to enhance the mental health and wellbeing as well as fostering a whole range of developmental skills of our little ones.

TEACHER'S MESSAGE

The teaching profession requires total dedication, devotion and a loving commitment. My educational philosophy is to create a learning environment that is fun and exciting. I want to inspire my children to learn more about themselves and the world around them. My role during this formative time of a child's brain development is essential. Early learning experiences are crucial factors for emotional, intellectual, cognitive, social, physical development. I have a gift and each day I thank God that I can make a positive difference in the lives of children. I am proud to say "I am a pre-school teacher." Especially during Virtual Summer Camp, to see my young students giggling and making innocent & honest efforts to upgrade their skills, made me the feeling that I am doing justice with the profession I dived into.

Sannia Gulati
KG Instructor

PARENT'S FEEDBACK

My daughter thoroughly enjoyed summer camp activities especially the Art days as there was no pressure. She enjoyed quite a lot. She made things, took interest and remained curious about the activities. Thank you for arranging the camp!

Priyanka Talwar
Mother of Ivaanka, Nursery Commendables

Thank you so much for Virtual Summer Camp. This initiative is really appreciated. I as parent feel very glad that kids got the opportunity to learn new things. Also my sincere thanks to the BLPS Team, who not only succeeded in conducting the first of its kind Virtual Summer Camp but also establishing the kids' interest.

Reeva Jain
Mother of Trishika Jain Nursery Blossoms

Virtual Summer Camp was really a stress buster for kids. My daughter was so excited for this summer camp. She loved all the activities may it be dance or DIY. She was super excited to learn new things apart from studies. Activity in charges actively engaged all the students

Disha Bhalla
Yashika's Mother K.G II Adorables

Thank you so much for this wonderful Virtual Summer Camp. Kids love doing all this activities. My son enjoyed the art & craft and dance classes thoroughly. All the activities were quite handy, easy to do and well explained.

Lovleen Kaur
Mother of Yakshvir Singh KG II Dazzlers

Virtual Summer Camp organised by BLPS was a wonderful opportunity for kids to learn many new exciting activities. My son felt very excited while performing various tasks. Kids not only learnt new things but also it was a great fun time for them to enjoy during summer vacations.
