## DIRECTOR'S MESSAGE

**Simrita Bawa**

Dear Children,  
Let the world know you are back in School with a bang! May you be dynamic and versatile in the new term. Keep doing a little good everyday and one day we will have a prosperous country. The future of the country rests on your shoulders. Carry on with perseverance and dedication and commitment in your life. Happy Independence Day.

## PRINCIPAL'S MESSAGE

**Dr. Ekta Dhawan**

Dear Parents  
Hope that Monsoon is adding spice to your routine and you are rejoicing at your best! I am quite elated to share that the teacher-taught transactions at school are more focused on making learning fun and meaningful and helping our students make learning an integral part of their lives. The pedagogical focus has moved from content mastery to competence mastery since experiential learning plays a pivotal role in kindergarten. We do understand that our responsibility is not only academic excellence, but preparing our students for life. Hence, we have integrated art and other co-curricular activities in our curriculum, coupled with life skills. Ergo, after these Reinforcements, there will be a plethora of opportunities in upcoming months. Don't forget to motivate your child to be as involved as possible. Students who feel connected to their school have been more successful in their academic and professional life. Without an iota of doubt, I can say that we are just not a school, but 'an experience' that every learner would like to go through in their learning journey. Welcome to this experience!

## AWARENESS PROGRAMME

Our Grade X students, participated in a seminar titled ' Insights into Drug Abuse '. Students have cultivated an interest to be engaged in an effective Social Service programme. Students were trained to reach out to members of the general public who are victims of Drug abuse / succumbed to use of Drugs as addicts. The seminar chalked out a communication strategy to be adopted by students. 'Theatre' was considered as a consequential tool in conveying to youth to avoid drug abuse, which can damage their health and future as well. The seminar reflected that youth has a lifelong responsibility to reject illegal drug use and stay sober, further emphasizing that our young people who avoid use of illegal drugs will enrich the society and contribute in progress of Punjab & India.

## PARENT'S MESSAGE

Would start by giving a huge shout out to the entire team of BLPS. The hardwork and efforts that you all put in conducting the online classes is indeed commendable. Though Aarav is a new student, joined the school in this session (2021-22), he has adjusted well. The teachers have been very supportive and encouraging. The past years have been difficult for everyone and more so for children, but BLPS team has shown immense commitment in bringing the school to our homes. It is great to see such a dedication in all of you. Be it curricular and cocurricular, extracurricular or other events; the school is always ensuring the all-round development of children. Wishing the entire team of teachers and management more feathers in the cap. Keep up the good work! Ms. Reema Sajwan Negi Mother of Aarav Negi III Blossoms
