The Award in Action

Continuing our stories to showcase the tenacity, character and determination of Award Participants to continue their Award Journey in these unusual times.

Students of Jindal Vidya Mandir, Salav (Bronze & Gold level)

Under the Voluntary Service section of the Award, students of Jindal Vidya Mandir, Salav (Bronze & Gold level) had chosen Beach Cleaning as their service activity. The aim of this activity was to raise awareness among the people about Marine Pollution and to contribute in cleaning drives to reduce the garbage and plastic in the Ocean and to encourage tourists to act responsibly. Through this, we wanted to build strong and self reliant communities and empathetic individuals who endeavor to create a better society!

Adults in the Award Satisfaction Survey

The International Award for Young People is committed to offering the best quality support that all adults associated with the Award expect and deserve in order to have an efficient and fun-filled Award journey!

Once a year, we run a satisfaction survey for all Award Units, to allow our dedicated Award Volunteers to express their opinions about the Award, tell us about their experiences delivering the Award, and help us improve the support we give to Award Units.

To get your inputs, we request you to answer a few questions, which will guide us to serve the Award Community more efficiently, simplifying the path of the Award Leader. Please fill the survey [here](#).

Call for Award Stories!

The International Award for Young People, India invites all of its Award Participants and Award Leaders to send us write-ups/stories of their Award journeys. The Coronavirus induced pandemic had brought about unprecedented changes and obstacles for all of us. Millions of people around the world have been affected by the COVID-19 virus outbreak. In several places, schools and youth organisations had to be closed and people confined to their homes to reduce the spread of the virus. This proposed a challenge before youth organisations like The International Award for Young People as we all shifted to an online mode of work. However, our young and motivated Award participants did not let the pandemic deter their spirits, and with the help and support of their Award leaders, many have successfully completed the Award. We thus, call upon all our Award Participants and Leaders to share with us their journeys of pursuing the Award during this pandemic. We would love to know and publish your Award success stories in The Award Weekly.

Send us your Award stories and photographs at – ai@iayp.in with the following details:

- **Name**
- **Institution**
- **Award Level**
- **Whether pursuing the Award or completed/Date of Completion**

Minerva "WHY" series

Brought to you by Minerva University's WHY Series

Introspection Around the World with Manu Jayamohan

We'd like to introduce you to Manu Jayamohan, a Class of 2020 graduate, as part of the next WHY Series session. Manu is a storyteller from Kerala who is captivated by the power of stories to elicit various emotions in people and to transport them on a journey that leads them to reflect on their own life. In this session, he will share his encounters with introspection and self-reflection in seven different cities around the world. He will expertly illustrate how his worldviews were challenged, allowing him to embark on his quest for self-discovery. Manu is convinced that a learning environment must foster the discovery of one's passion and the recognition of one's ability to implement change. Join us and learn how to foster the discovery of your passions like Manu and learn how Minerva enabled his journey in this process. Mark your calendar for **January 28th, 2022, from 4:30 p.m. to 5:30 p.m. IST** to meet Manu and engage in thoughtful conversation. If you have any questions, please reach out to Jessica at varghese@minerva.edu

Bronze Level Adventurous Journey during the Pandemic

Virtual Bronze Exploration of the Duke of Edinburgh's International Award for Young People

The International Award for Young People (IAYP) is happy to announce the release of the **Virtual Bronze Exploration for the Bronze Award Participants**.

The Virtual Bronze Exploration is a re-imagined virtual exploration that will help to develop the group work and team skills that underpin the aim of the Adventurous Journey section of the Award. These are core life skills that many people have learnt and used for their livelihoods over the period of lockdown. We believe that these will become increasingly important life skills for everyone.

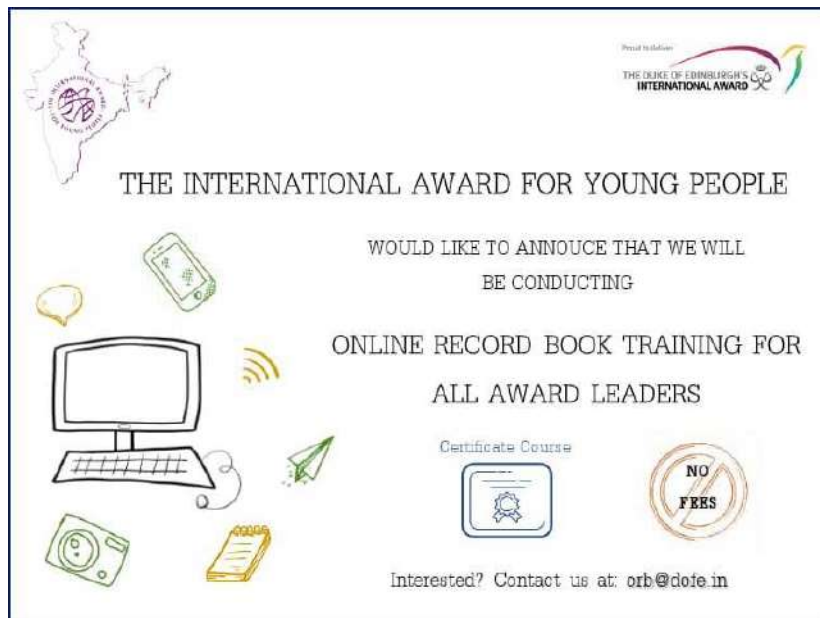

Due to the restrictions in place in the country to halt the spread of COVID-19, we have developed this Virtual Exploration to provide an opportunity for young people to stay active and complete their Award Journey. This activity will help to develop the same group working and planning skills that are expected by all Adventurous Journeys. The Virtual Bronze Exploration is completed in 5 stages:

- i. Stage 1: Preparation & Training (Part A & Part B)**
- ii. Stage 2: Group Planning**
- iii. Stage 3: Practice**
- iv. Stage 4: Virtual Journey (Expedition)**
- v. Stage 5: Research Project (Exploration)**

The Preparation & Training stage (Stage 1) will be useful and act as a base level of knowledge for your Adventurous Journeys at the Silver and Gold levels. The Planning stage (Stage 2) will ensure that the whole group works together. The Practice Journey stage (Stage 3) is your chance to test some of the ideas in your plan. The day of activity for the virtual Journey in stage 4 is intended to give a flavour of a physical expedition, using videos of virtual walks from some beautiful parts of the world.

All YES Centres (and OAC Participants) are requested to write to vbe@dofe.in to get the required files and links and assist their participants to complete their Bronze Level

The International Award for Young People and the Cambridge Assessment International Education

The International Award for Young People is presently working with Cambridge Assessment International Education in providing new ways to broaden the curriculum in the education world in India. Both our organisations believe that learning should not be confined to the classroom, but should also take place in the school environment and wider community.

Coronavirus (COVID-19)

Millions of people around the world have been affected by the COVID-19 virus outbreak. The safeguarding of all those connected to the Award – be they participants, volunteers or staff – is paramount and we know that you will be looking to your local public health bodies to ensure risks are managed appropriately in your Award Unit.

We recognize that the virus can make it difficult for some Award participants to maintain Award activities, but it doesn't have to. [Click here](#) for some creative ways for participants to continue their Award activities at home, whilst providing enough evidence to their Assessors and Award Leaders that they can continue progress to their goals.

It is paramount that anyone considering undertaking Award activities outside of the home in areas affected by the COVID-19 virus outbreak must consult their local public health authorities before doing so.
