DIRECTOR'S MESSAGE

Simrita Singh

Dear Children,
Amidst the current soaring temperatures we're witnessing a heat wave! Offline classes have helped us in normalising our lives post covid. Challenge yourself to summarise each chapter. Condense the information to learn. Take notes in class. Memory maps are useful in learning. Try and apply your knowledge as much as possible in your day to day routine. This way you remain on top of the ball. Improve your interpersonal skills with your peers. Enjoy your extra curricular routine in school. Let us embrace the way we can pace out this learning way too, without any distractions.
Wish you good luck for a productive summer stint! Make the most of this time.
Stay safe and hydrated.

PRINCIPAL'S MESSAGE

Dr. Ekta Dhawan

Dear Readers
Greetings to All !
We are all working diligently to make the most from the last two months of school. I want to encourage our students to remain focused and engaged in their learning. As the weather gets warmer, it may be tempting to skip out on classes but it is critical that students attend all their classes daily to avoid falling behind. Today, the role of a school is not only to pursue the academic excellence but also to motivate and empower the students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. Converting every individual into a self-reliant and independent citizen, our school provides an amalgam of scholastic and co-scholastic activities. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of Education. "To Motivate the Late bloomers, To Mold the Mediocre and To Challenge the Gifted" is the teaching notion. Providing good quality modern education including a strong component of cultural values, environment awareness and physical education to talented children in rural areas irrespective of their family's socio-economic condition is the prime motto of BLPS. A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create this school as a child-centric school. Success comes to those who work hard and stays with those who don't take rest on the laurels of the past. A Long way to go – we can do it! With warm wishes !!!!!
God Bless Us All !

ACTIVITIES OF THE MONTH

DON'T STRESS. DO YOUR BEST. FORGET THE REST!

Students studying in Grade XII alongside their respective Form Tutors attended the live address by the Prime Minister "Pariksha par Charcha". The Prime Minister's address to students & their teachers was interactive vide Twitter. The broadcast was live from Talakotra Stadium. Our students and teachers participated in the absorbing address with zeal.

DON'T WORK FOR RECOGNITION, BUT DO WORK WORTHY OF RECOGNITION!

Our students studying in Std IX - X participated in the Duke of Edinburgh/IAYP Award scheme - orientation programme. Our participating students were brought to speed that through the programme students shall cultivate friendships, improve their self-esteem and build confidence. They shall gain essential skills and attributes for work and life such as resilience, team-working, communication and drive to face-up to Adversity specially by undertaking Community Service projects. Students were made to understand the rationale behind the award levels - Bronze, Silver & Gold.

SWIMMING LESSONS

ALMOST ALL CREATIVITY INVOLVES PURPOSEFUL PLAY!

Our students studying in Grade X pursuing Duke of Edinburg's Silver Award were actively engaged in performing a 'Street Drama' offsite titled - 'Say No To Drugs'. Our students find that theatre helps them develop the confidence that's essential to speaking clearly, lucidly, thoughtfully and a willingness to work cooperatively.
