### DIRECTOR'S MESSAGE

**Simrita Singh**

Dear Children  
 This summer put your phone away and make memories. Hope you enjoyed all the activities in your virtual summer camp! Recharge your batteries. Bask in the sunshine and exercise. Meet up with your friends. Go for early morning walks and build your stamina. Eat watermelons, mangoes and litchis. Indulge in drinking healthy drinks like lemonade and lassi. Write poems based on the flowering Gulmohar. Discover a new hobby. Enjoy your holidays!

### PRINCIPAL'S MESSAGE

**Dr. Ekta Dhawan**

Dear Scholars  
 A happy summer vacation to all!  
 "Tolerance is possessing a heart or spirit that gives rooms at all times for people's weakness and imperfection with a view to foster peace and promote friendship".  
 The most yearning moment is on the horizon and that's your Summer Vacation. It's obvious that you have all geared up and premeditated about your visits and leisure activities back in homeland with your near and dear ones. But this time spend your holidays by being more sociable and extra vibrant in undertaking your plans, so that your vacation is made purposeful. To begin with, I wish and hope you had fun filled learning experience in Virtual Summer Activities/Study Camp - an initiative taken by the school. Optimize every precious moment prudently by absorbing yourself in reading informative and enlightening books and resort to books on parables, so that you relate and apply them in real life.  
 Once again I wish you all a pleasant vacation ahead. Hope you all make every single moment eventful and memorable and return back with loads of experiences to share with your peers and teachers. I wish you safe travels and an abundance of joy, laughter, and love this summer with your family. Life is short and tomorrow is not promised, so please spread kindness-even to those who you may not want to, be grateful for what you DO have, and make the best out of today!  
 God Bless Us All!

School's Academic & Co-Curricular calendar 2022 has been busy since the beginning of Academic Term 2022 enabling participation in International Olympiads for English, Mathematics, Science, Social Science, IT & GK - prepares students minds to become agile and sharpen their logical and reasoning abilities. The syllabus of the Olympiad corresponds to the school syllabus i.e. CBSE or ICSE from Class 1 to 10. Our students studying in Grade II to Grade XII succeeded in securing Top Honours across interests.

### NOTHING CAN DIM THE LIGHT WHICH SHINES FROM WITHIN!

Mandeep Kaur (PGT Physical Education) participated in Annual All India National Khelo Masters Girls Hockey Tournament in New Delhi representing Team Punjab. The finals saw Maharashtra, Tamilnadu, Punjab and Karnataka contesting for Top Honours. She took the Podium with Team Punjab securing Bronze.
