SCHOOL'S PARTICIPATION IN THE EDUCATION SUMMIT

### DIRECTOR'S MESSAGE

**Simrita Singh**

Dear Children,  
 The thought of the monsoon and rain evokes in us a sense of fun, joy and family togetherness. The monsoon has ushered in comfortable temperatures finally!  
 With the Assessments on head you should now gear up to study smartly. Sharpen your focus on academics. Learn how to live with sensitivity to those around you and those who are socially different from you. Laugh full throatedly while you engage with friends in school. Revel in physical fitness as a strong body houses an alert mind. Get geared up to build your immunity by eating home cooked meals. Abstain from watching too much television. Be organised in your revision. Life is meant to be savoured not to be rushed.  
 Schedule homework into your routine for an hour daily. Then you will be well prepared for the upcoming assignments of this month. Good luck!

### PRINCIPAL'S MESSAGE

**Dr. Ekta Dhawan**

Dear Scholars,  
 Welcome back after a long vacation!  
 Let me extend a warm welcome to all our scholars back to this temple of education after holidaying for a month. Coming back to school is a reason for celebration because it means a new step towards a wonderful future! Hope you are all poised and rejuvenated to start afresh and undertake tasks with great obligation. As you return to school, remember that knowledge is like a lamp, and every new thing you learn makes the light brighter. BLPS is striving continuously not only to meet the growing demand for quality education in the city but also to become a source of holistic development of the students. A school is not just a medium to impart education but a place where the child grows, recognizes his/her capabilities and strengths, learns to explore the world around him/her. We at BLPS, sincerely strive to leverage all possible opportunities to ensure that our students not only excel academically but also grow into good and confident human beings. The school deserves to be noted and lauded for its excellence in academic and co-curricular areas. But let's not keep basking in our glory and strive strenuously to add several more feathers to our cap. Once again I wish every Scholar a happy and prosperous Journey towards education!
