Dear Parents/ Guardians

Cordial Greetings of the Special month of August! Not only is it the month when the nation celebrates its Independence Day, it is also the month full of celebrations. Be it Raksha Bandhan that epitomizes the bond between a brother and sister, Krishna Janmashtami - the birthday of Lord Krishna, Eid-Al-Adha and many more. A plethora of activities have been organized during this month to observe these joyful moments. I hope and wish that all of you been participating in these activities enthusiastically. And also, the season of showers has begun. Monsoons are always a welcome change after the sweltering heat. It is a magical time of the year that revives our souls. The first shower of the season leaves us joyous, but it also brings with it various infections and illnesses for kids. The moist and damp environment promotes infections to flourish, especially viral. So, we need to be really careful of the activities we undertake and the food we intake during this season. By following the monsoon provisions, we will sail through the monsoon season without much trouble and the children will surely stay safe and healthy. We can enjoy the season to the fullest by taking some precautionary measures! After all, we all do want to enjoy the monsoon season and not stay in bed due to ill health.

Once again, I would like to congratulate everyone on this 76th Independence Day. Freedom does not come easily. We are all indebted to our national heroes who made this country what it is today. As patriotic citizens, let's put extra effort into performing our civic responsibilities. Our diversity should not be seen as a weakness but as our greatest strength. It is only by working together that we can build a resilient and thriving nation. Remember the sacrifices of our freedom fighters that formed this country. Rejoice and celebrate this National festival with pride.

Be a beacon of hope today. Uphold civil rights. Resist corruption. Stand firm for what is right and just. Be a true ambassador of your Nation.

Happy Independence Day!
God Bless us All!
