DIRECTOR'S MESSAGE

Simrita Singh

Dear Children,
 On the onset of exams you must be gearing up with your revision. Stay hydrated, sleep on time and arrange your school bag a day in advance.
 Work hard so that the only decision you get to make is the role you will play in your own life!
 Keep your dreams alive.
 Never stop dreaming.
 Follow your goals and work towards attaining them.
 Good luck and God bless.

PRINCIPAL'S MESSAGE

Dr. Ekta Dhawan

Dear Students,
 Greetings!
 So, in the Thick of Exams ???
 We're behind you, cheering you on to the finish line. You might be feeling stressed, overwhelmed, confused and so damn tired – we understand that, since your Mid Term Exams are approaching, but keep going. Give it everything you've got – you're nearly there.
 As you sit down to your exams you owe it to yourself to work hard and do your best, but know that the results won't be a measure of you. But it's important to work hard and give it everything you've got, but know that there are so many more things about you that will determine the life you have.
 Your brain is going through a growth spurt – a massive one. You might not have yet discovered some of the things you'll be good at. Your brain is hungry to learn and the exciting thing is that you're about to enter a stage of your life where you get to decide what to feed it.
 Your path will be crooked, unexpected and beautiful, which is exactly the way it should be. Don't let any of the bends or detours change your belief in your own potential, or the wonderful depth and richness of you.
 Know that we're behind you all the way!
 God Bless Us All !!!
