DIRECTOR'S MESSAGE

Simrita Singh

Dear Children
With the festive season of Christmas and New Year approaching, may your troubles be less and your blessings increase hundredfold.
My wish for you in 2023 is to look at the new year like a blank book and fill the 12 chapters and 365 pages with beautiful stories!
Always have the courage to speak the truth,
Serenity and peace of mind to respond and not to react.
Hold someone's hand in trouble.
Be compassionate to all.
Lend a helping hand to someone who needs encouragement.
Wish you a brilliant year ahead.

PRINCIPAL'S MESSAGE

Dr. Ekta Dhawan

Dear Parents, Children & Well Wishers,
Greetings to you all !
We have already cruised into the last month of the year. This month can be a good opportunity to reflect on the year gone by and count our blessings. Today, living in an urban, cosmopolitan environment, the children are mostly exposed to a life of abundance and comforts. However, sometimes the children and we as adults tend to take our blessings for granted, remaining dissatisfied with what life has to offer. Thus let us make a conscious effort as parents and as teachers to help our children cultivate the habit of expressing gratitude. Let us go beyond just being thankful and encourage children to feel the deep appreciation for all the good things that life has bestowed upon us. Whatever your beliefs and wherever you may be, I wish you a very happy, safe and peaceful Winter Break; I hope you thoroughly enjoy your time with your families. Celebrate Christmas & I look forward to welcoming you all back in the New Year, as we aim to make 2023 our best year yet!
With very best wishes!
God Bless Us All!
