Dear Students

As we near the end of the summer break, I wanted to take a moment to reach out and share a few words with you before we reunite at school. I hope you have all had a wonderful and rejuvenating break, filled with cherished memories and valuable experiences. As we prepare to come together as a school community once again, I want you to know that we are eagerly awaiting your return with wide open arms. BLPS is not just a physical space; it's a place where knowledge is nurtured, friendships are forged, and dreams are pursued. Each one of you plays an integral role in creating a vibrant and inclusive learning environment, and we are excited to have you back. In the coming academic year, we will embark second lap of academic session on new educational adventures, delve into exciting subjects, and explore opportunities for personal and academic growth. Embrace the challenges that lie ahead, for they are stepping stones on your path to success. Your dedication, perseverance, and willingness to learn will make all the difference in your educational journey. I encourage you to approach the upcoming academic year with an open mind, curiosity, and a positive attitude. Be kind to one another, support your fellow students, and foster an inclusive and respectful environment where everyone feels valued and appreciated. I am eagerly awaiting your return to school, ready to witness your growth, celebrate your achievements, and support you in any way possible. Let us make the upcoming academic year one filled with growth, learning, and memorable experiences!

THE ULTIMATE SUMMER ESCAPE: CAMP UNPLUGGED

Students studying in Form Nursery to VIII and Form IX to XII were actively engaged in Art & Craft, Dance Tutorials and fun filled lessons during Virtual Summer Activities Camp and Summer Study Camp consecutively.

MELODY MARVELS: KINDERGARTEN GROOVE FEST!

School conducted _Sing a Song_ Competition for the students studying in KG I and KG II. It was an extraordinary event filled with talent, enthusiasm, and pure joy. The competition aimed to encourage young students to explore their love for music, boost their confidence, and showcase their singing abilities.

HEARTFELT HUZZAHS: PARENTS RAVE ABOUT OUR SCHOOL'S IMPACT

My son began the day with a sense of excitement. He was impatiently awaiting for his class. He actually had a great time during his Virtual Summer Camp.

Baljeet Kaur (Jodhveer -Nursery Blossoms)

Being able to participate in the Virtual Summer Camp activities made Pawit very delighted. Her classes were fun for her. She gained a lot of creative knowledge. Online courses, in my opinion, were pretty creative. Good internet connectivity was present. Teachers used creative approaches to make the classes more engaging.

Pardeep Kaur(Pawit -KG I Blossoms)

The instruction methods used during Summer Camp were quite innovative. Children enjoyed themselves and learned in the comfort of their own homes.

Gitanjali Khosla(Mehak-VI Adorables)

Would like to convey our appreciation for the online classes conducted. Teachers had put a lot of efforts to keep the students engaged and focused. Frequently asked questions from students keep them alert and attentive. Moreover the interactive method followed by the teacher is also praiseworthy.

Megha Saxena(Vyom -IX Commendables)

Vidit had a fantastic time at summer camp. He adhered to the teacher's instructions and excitedly anticipated the summer camp lessons. The classrooms were fascinating because to the teachers' superb efforts.

Priyanka (Vidit Gupta -KG II Dazzlers)

With the Virtual Summer Camp, I am quite pleased and delighted. It kept the kids occupied for at least two hours of the day with something useful; otherwise, they would have spent their time either using their phones or watching TV. Overall, it was a very enjoyable experience.

Mandeep Kaur (Navroop Kaur -IV Commendables)

The school did an excellent job with its Virtual Summer Camp programme. The notion of keeping pupils occupied over the summer was a great one!

Gurpreet Singh (Mahreen -VII Blossoms)

Teachers put a lot of effort into making online classes successful. Teachers made complex concepts understandable by simplifying and outlining them. It had a profound effect on my child. She picked up some new dance moves as well. I'm very grateful for the effort teachers put forth.
