## BLPS HERITAGE CLUB AMONG INDIA'S TOP THREE

BLPS proudly celebrates a moment of national distinction, securing the 3<sup>rd</sup> Position at the National Level in the prestigious INTACH Best Heritage Club Awards — the country's highest honour in heritage education and conservation. This achievement stands as a testament to visionary leadership, the dedication of our mentors and teachers, and the passion and creativity of our students. More than an award, it is a reaffirmation of our guiding philosophy: to educate with purpose, and to anchor every child in the strength of their roots while preparing them to soar.

## YOUNG VOICES, LASTING IMPACT — FROM SONGS TO SUSTAINABILITY!

From melodies that echo heritage to words that honour the Earth, students have made their mark on national platforms. The champions of creativity were: Takshvi (I Commendables), Neel Salwan (I Blossoms), and Achint Guaba (I Fascinators) in Form I; Sanvi (II Fascinators), Sargun Kaur (II Commendables), and Kapish (II Commendables) in Form II; and Chakshika (III Blossoms), Aaira (III Elites), and Mahi (III Dazzlers) in Form III.

### PRINCIPAL'S MESSAGE

Dear Students,

August arrives like a page of history come alive, a month that stirs both pride and reflection. It calls us to honour the spirit of Independence — a priceless legacy shaped by courage, sacrifice, and vision. Yet, the truest form of freedom lies in how we think, speak, and act with integrity, purpose, and respect for the world around us. The celebrations of Raksha Bandhan remind us of the sacred bonds of trust, care, and mutual protection, while Friendship Day honours the rare companionships that uplift our hearts and enrich our lives. These moments teach us that relationships, grounded in kindness and understanding, are treasures to be nurtured. Even as we rejoice in these cherished occasions, let us also direct the same dedication towards our academic journey, embracing discipline, focus, and an unwavering resolve to excel in the forthcoming examinations. Let us step into this month with the courage to uphold our values, the gratitude to cherish our bonds, and the determination to strive for excellence. August should be a season where our actions reflect both the pride of our heritage and the warmth of our humanity. May wisdom light your path, virtue strengthen your steps, and joy crown your every achievement!!!

- Dr Ekta Dhawan, Principal
