LITTLE STARS SHINE BRIGHT IN ENGLISH RHYME RECITATION!

The stage was truly alive with innocence, joy, and boundless enthusiasm as our little stars from Nursery, KG I, and KG II showcased their talent in the English Rhyme Recitation Competition. With clear voices and a sparkle of confidence, the children turned simple rhymes into heart-warming performances. Each recitation was a celebration of creativity, growing confidence, and the joy of learning. In Nursery, Taneira Kaura secured the 1st position, followed by Jasmanpreet Singh and Mehar Walia sharing the 2nd position, while Gurtaj Singh took the 3rd position. In KG I, Sohana Aggarwal claimed the 1st position, Vani and Priyanshi shared the 2nd position, and Avneet Kaur Waraich secured the 3rd position. For KG II, the 1st position went to Ayeza Kallan, the 2nd position was shared by Urvi Kumra and Naira and Advik Sood was awarded the 3rd position.

PRINCIPAL'S MESSAGE

Dear Parents and our Little Stars, September arrives with mid-term exams, yet in Kindergarten it is not a season of burden but a gentle step in the journey of growth. Our children are not meant to be weighed down by marks; they are meant to bloom like little gardens, each at their own rhythm, each carrying a unique fragrance of learning. Children always remember exams do not measure your worth, they only reflect the little steps you've taken in learning. A good night's sleep, a plate full of healthy food, and the comfort of gentle encouragement will help you shine far more than hours of anxious study. Parents your faith and patience are the true strength behind every little success. Let us not count marks, but moments of courage. Let us not chase scores, but celebrate confidence. For in the laughter of a child and in the sparkle of their eyes, the true result of education is already written. May this exam season bring peace, balance, and quiet victories. Let every child feel cherished, every effort be valued, and every heart be filled with the joy of learning. Like flowers turning to the sun, may our children continue to grow with grace, health, and happiness today, tomorrow, and always. With blessings and warm wishes,

Dr Ekta Dhawan,
Principal

TINY HANDS, BRIGHT IMPRESSIONS

With tiny hands and boundless imagination, our KG I and KG II little creators transformed plain sheets into masterpieces during the Impression Painting Competition. Every splash of colour carried joy and the vibrant spirit of our young stars. In KG I, Vani secured the First Position, followed by Nysa Sharma in the Second Position, and Avneet Kaur Waraich in the Third Position. In KG II, Gurkirat Singh won the First Position, Navya stood Second, and Saanvi earned the Third Position. Each child's artwork was not just a painting, but a celebration of imagination and joy.

LITTLE RADHAS & KRISHNAS BRING JANMASHTAMI ALIVE

Janmashtami at our Kindergarten was a joyful blend of innocence and devotion. Our little Krishnas, radiant Radhas, and playful Gopis stepped into the magic of the garden of divine joy, guided lovingly by their teachers. They sang hymns as sweet as temple bells, danced with grace, and brought alive the true spirit of the festival. A visit to the temple added a sacred touch, as tiny hands folded in prayer and eyes sparkled with wonder. Dressed in vibrant traditional attire, the children turned the school into a colourful celebration of faith, music, and happiness a memory to treasure forever.

KINDERGARTENERS IN COLOURS OF FREEDOM

The spirit of patriotism came alive as our Kindergarten students celebrated the 79th Independence Day with joy, pride, and innocence. Dressed in the vibrant hues of saffron, white, and green, our little ones sang patriotic songs, danced with delight, and recited heartfelt rhymes that filled the air with love for the nation. Their simple words and cheerful voices carried a profound message that the values of unity, respect, and love for our motherland take root best when nurtured in young hearts. In their innocence, we witnessed the purest form of freedom unburdened, joyful, and full of hope. The day was a celebration not just of our country's independence, but of the promise these little stars hold for tomorrow.

ROLLING, BALANCING, LEARNING: KG II ADORABLES SHINE

Laughter echoed, tiny feet moved with care, and a simple ball brought a world of learning alive! In the Balancing Ball activity, our little stars of KG II were not only enjoying joyful moments but also learning important skills: focus, control, and cheering each other on. It was a celebration of balance in movement, patience, and teamwork. Led warmly by Form Tutor Ms. Isha Kashyap the activity turned every step into a moment of joy, energy, and meaningful growth.

OUR STUDENTS SHINE AT YOUNG INTACH CHALLENGES 2025!

It is a proud moment for the school as our students excelled at the Young INTACH Challenges 2025, showcasing their creativity and environmental awareness. In the World Snake Day Poster Making Challenge, Tanush Chhabra impressed the judges with his artistic expression and secured the second position. Continuing their journey of responsibility towards nature, our students shone brilliantly in the Earth Day Challenge, with Tashi Kapoor earning the second prize, Jai Sharma securing the third prize, and Shreshtha Patkar along with little Anaisha receiving special mentions for their thoughtful and inspiring contributions. These achievements not only celebrate the talent of our students but also reflect their deep sensitivity towards the environment, setting an inspiring example for the entire school community.

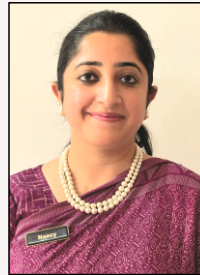

PARENTS' CHRONICLE

I am so impressed with how Bawa-Lalvani Public School focuses on the holistic development of students. In addition to academics, the school offers a wide range of extracurricular activities such as sports, music, dance, and leadership programs. These activities help my child to build confidence, teamwork, and a well-rounded personality. My child looks forward to school every day because he is excited about the variety of opportunities offered. "Thank you" for the dedication, passion, and for going above and beyond every day to make learning an enjoyable and meaningful experience. I am a proud mother as I see my child learn and grow at this fine institution.

Dr. Sunidhi Jamwal Nigam, Mother of Ransher Nigam
KG I - Commendables

TEACHERS' REFLECTION

The most wonderful part of being a teacher is knowing that many years down the line, somewhere, someone will think of how fortunate they were to be my students. The joy of teaching lies in the fact that, although my students may forget the lessons I taught them, they will never forget me. They will always remember and value the seeds of goodness I sowed in them. There is truly no profession more rewarding than this. At the end of every year, saying goodbye makes me emotional, but it also fills me with pride as I reflect on the amazing growth and progress my students have made.

Ms. Nancy Arora (KGT)

SONG OF THE MONTH

*The more we get together,
Together, together,
The more we get together,
The happier we'll be.
For your friends are my friends,
And my friends are your friends.
The more we get together,*

CONVERSATION

- Q. Which is our National bird?
- A. Peacock
- Q. What is the colour of parrot?
- A. Green
- Q. Which bird can see in the dark?
- A. Owl
- Q. Which bird lives in water?
- A. Swan
