Important Update on the Adventurous Journey Section as part of The Award Programme

We are excited to announce a flexibility to the Adventure Journey requirements:

-Bronze Level: The **Practice Adventure Journey can be waived if the NAO considers that adequate preliminary training is done, and the requirements of the Adventurous Journey.** This adjustment is aimed at making the Award Programme more accessible and encouraging wider participation at the introductory level.

-Silver & Gold Levels: The **Practice Adventure Journey remains a mandatory component.** Participants at these levels are required to complete The Preliminary Training, the Practice Journey and the Qualifying Journeys to meet the programme's standards.

This change allows participants to focus on enjoying the experience of self discovery from the Adventure Journey experience at Bronze while maintaining the rigor and leadership development elements at Silver and Gold levels.

For any clarification/assistance, please contact the programme team.

The Award in Action - Pacific World School, Greater Noida

We are thrilled to announce that the Bronze-level participants of Pacific World School Greater Noida, have successfully completed their Adventure Journey, a key milestone in the prestigious International Award for Young People (IAYP). Our students embarked on a thrilling adventure to the Rocksport Gurugram Campsite,

where they engaged in adrenaline-pumping activities like rock climbing, zip-lining, and crossing the Burma bridge. Immersive experiences such as pottery sessions and team-building exercises, including tent pitching and outdoor cooking, helped to hone their resilience, leadership, and camaraderie, leaving them with cherished memories of courage and collaboration.

CHIRAG Exploration Camp - Delhi (14th-17th September 2025)

From 14th to 17th September 2025, 25 Bronze Award participants, along with 3 Award Leaders and 2 NAO staff, took part in the CHIRAG Exploration Camp held in Delhi.

Over four days, the group explored some of the capital's most iconic landmarks including Qutub Minar, Humayun's Tomb, India Gate, Rashtrapati Bhavan, Indira Gandhi Memorial Museum, Red Fort, Akshardham, and the Bahá'í (Lotus) Temple. The camp gave participants the chance to immerse themselves in Delhi's rich heritage and culture while building teamwork, confidence, and curiosity; key elements of the IAYP journey. For many, it was a memorable blend of learning, exploration, and personal growth outside the classroom!

Cambridge Assessment International Education

The International Award for Young People is presently working with Cambridge Assessment International Education in providing new ways to broaden the curriculum in the education world in India. Both our organisations believe that learning should not be confined to the classroom, but should also take place in the school environment and wider community.
